

### Seaman Clifford H. Apel Returns From Orient

Scheduled to return to San Diego this month, completing a six-month tour of duty in the Far East, is the attack aircraft carrier USS Kearsarge. It was her second tour of duty in the Orient since recommissioning in February of 1952.

Returning aboard the carrier is Clifford H. Apel, boilerman third class, USN, son of Mr. and Mrs. F. H. Apel of 27967 Curtis, and husband of Mrs. Bettie J. Apel of 11414' Galsan, Fremont, Wash.,ington.

The Kearsarge arrived in the Far East shortly after the armistice was signed in Korea, bringing to a halt more than three years of fighting. While there the ship operated off the coast of Korea and in the East China Sea carrying on a training and combat readiness program with fast carrier Task Force 77.

### Career Opportunities For Several Residents of This Area

One of Michigan's oldest and largest Stock Casualty Insurance Companies is embarking on a distinctly new and different Automobile Insurance Program. We expect to aggressively develop this program and in the next few days we will be selecting a number of qualified full time and part time men to get in as the start and represent us in this area.

To give our policyholders and the public the benefit of expert and friendly service, we select local residents of unusual caliber and give them training of professional status.

If you are interested in this exceptional opportunity for an excellent income, secure future and further opportunities for management positions in our expanding program, write or call for a personal interview:

### WEST POINT PARK By MISS L. A. AULT TELEPHONE FARMINGTON 1481-M

Mrs. George Knipple of Farmington Road was the gracious hostess of a "Sunshine Party" last Tuesday evening. Mrs. J. J. Jones of the neighborhood was on hand for the friendly get-together. Delicious refreshments were enjoyed by all.

A group of Neighborhood Sunshine Sisters met at the home of Mrs. Kenneth Skow on Mayfield Avenue last Wednesday afternoon and conducted their every-other-week session. At this meeting, Mrs. Skow was presented to the ladies. Roger, and another little Sunshine Brother, Gregory, son of Mr. and Mrs. Howard Taylor, each received the traditional Sunshine outfit, yellow rompers and matching socks. During the program much amusement resulted from relaying shirt sayings and the telling of children in the homes represented. At the end of the afternoon the hostess served delicious homemade cherry pie with whipped cream.

It is expected the attendance at the next Sunshine meeting will be too large and the program too complicated for the affair to be held in a home; therefore it will be conducted in the Neighborhood Church at 2:00 p.m. Wednesday, February 3. It is planned to serve tea and cookies as the ladies arrive. This will be the annual name-disclosure party of the Sunshine Sisters. Each Secret Pal should bring or send to this meeting a card, note or final gift bearing, for the first time, her own name as well as the one for whom the gift is intended. In this way, Secret Pals will reveal themselves.

At the same meeting Secret Pals will also draw new names for another twelve months. In this way, each takes over the project of making someone else happier for a year in an anonymous way.

Movies in Neighborhood Church at 3:00 p.m. last Sunday proved most interesting to a fair-sized audience. Projected was the story of a small boy, stricken with leprosy, but made well again by the efforts of Christian missionaries, nurses and physicians. The pictures were very appropriate, since Neighborhood Bible School concludes birthday parties toward the work of a leper colony conducted by missionaries. During Sunday afternoon's program, musical numbers on the piano were well-rendered by eight year old Dorothy Shaver, a member of the Bible School.

At Neighborhood Bible School last Sunday morning, there was taken to conduct a short farewell service for Ronald, Richard and Johnnie Kline, members of the school who are moving from Parker Avenue to Detroit this week and with their parents. Each of the three was presented with a parting gift. Scriptural in character.

The four children of Mr. and Mrs. William Williams of Mayfield Avenue were all ill this past week. Over last week and, little Miss Ina Mae Tallman of Mayfield Avenue was ill with an attack of throat trouble.

Ernest Tallman, who had been a patient in Florence Crittenton Hospital for the past month, returned to his home on Mayfield Avenue the early part of this week. He is understood to be making improvement.

Called by the critical illness of a sister, Mrs. William Sherman of Mayfield Avenue left Wednesday evening for Pennsylvania.

Mr. and Mrs. John Altama of Shady Side Avenue were last Sunday guests of the former's brother, Rudy Altama and his family, in Detroit.

Mrs. Albert Owen of Mayfield Avenue is just now very much "under the weather."

Mrs. Erwin Bollinger of Mayfield Avenue was visiting in University Hospital last Monday.

Mrs. Gerald Roberts and her new little son, Keith Dale, born January 15, are now doing nicely at their home on Mayfield Avenue.

Goodwill Industries, Inc., of Detroit, will have trucks collecting household discards in this area on Monday, February 2. The area includes Farmington, Farmington Township and that portion of Livonia using Farmington telephone numbers. If a pick-up is desired, please call Farmington 1461-M. The representative is willing to take calls from 8:00 a.m. until 11:00 p.m.

The Douner family, who resided in a part of the Rehahn house on Mayfield Avenue for 6 months, left this week and to return to their former home in Alabama.

The youngest son of Mr. and Mrs. Clarence Roberts of Mayfield Avenue, has been quite ill this past week.

Sis, youngest daughter of Mrs. Genevieve Lewis of Hubbard Avenue was in the sick list part of this week.

Edward Stange, Jr. of Mayfield Avenue, suffered a severe attack of illness this week.

Two fowls belonging to William Dixon of Shady Side Avenue were killed by a stray dog last Tuesday.

### Pvt. Robert W. Clark Finishes Ordnance School

Private Robert W. Clark, son of Mr. and Mrs. Lemore W. Clark of 30325 Twelve Mile Road, has been graduated from the Ordnance Supply Specialist School of the Ordnance Replacement Training Center at the Aberdeen Proving Ground in Maryland.

Graduates of the Ordnance Supply Specialist School are qualified to command units detailed to storing, issuing, and transporting military supplies handled by the Army's Ordnance Corps. These include such items as tanks, rifles, trucks and artillery.

The 20 year old Private is a graduate of Farmington High School and attended the University of Michigan before entering the Army.

### LIONS CLUB PLANS SATURDAY BENEFIT DANCES

The Oakland Lions Club, seeking a new way to be of service to its community, is promoting a series of Dances for young and old.

On Saturday, January 30, at 8:00 p.m., the NewWest Recreation Building hall will be the scene of such an event. Good music and refreshments will be in evidence. Proceeds will go to the club fund that takes care of less fortunate people who need glasses and eye corrections.

Since its inception, the Ground Observer Corps has been morally and physically supported by the club. This group will be honored at the next gathering. An invitation has been extended to those patriotic people who give at least three hours of their time

each week in the cause of civil defense to meet with the club for a social evening.

Oakland will be proud indeed to wield further its alliance with the Ground Observer Corps, and to continue in mutual service to our community and country.

### Test Drive a FORD... and you'll want to drive it home

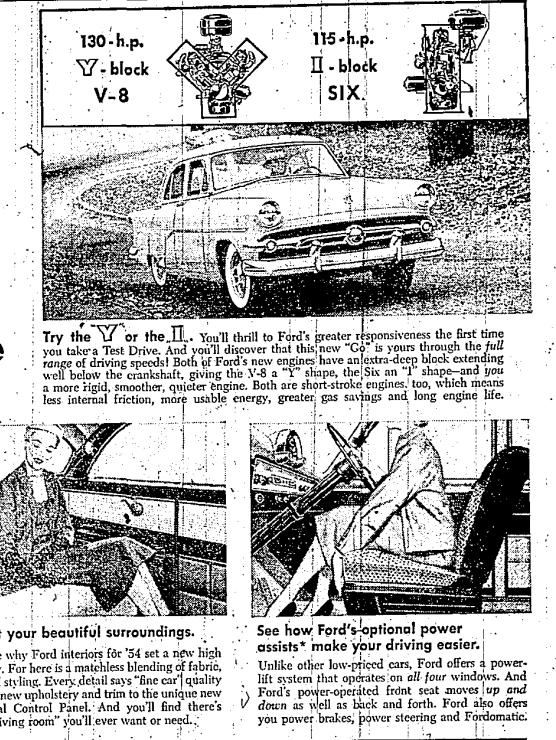

**Feel how Ford's new Ball-Joint Front Suspension cushions the bumps.**

You'll find a new kind of ride... level and smooth... even on rough, rutted roads. And, because Ford's new ball-joint front suspension is simpler than the conventional type... with 12 points of wear eliminated... that "new car" feel lasts longer.

**Look at your beautiful surroundings.**

You'll see why Ford interiors for '54 set a new high in beauty. For here is a matchless blending of fabric, color and styling. Every detail says "fine car" quality from the new upholstery and trim to the unique new Astra-Dial Control Panel. And you'll find there's all the "living room" you'll ever want or need.

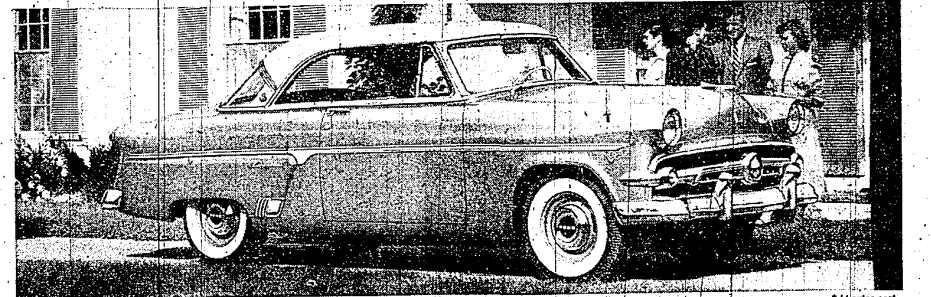

**130-h.p. V-block V-8**

**115-h.p. I-block SIX**

**Try the V or the I.** You'll thrill to Ford's greater responsiveness the first time you take a Test Drive. And you'll discover that this "new" "Go" is yours through the full range of driving speeds! Both of Ford's new engines have an extra-deep block extending well below the crankshaft, giving the V-8 a "Y" shape, the Six an "I" shape—and you a more rigid, smoother, quieter engine. Both are short-stroke engines, too, which means less internal friction, more usable energy, greater gas savings and long engine life.

**See how Ford's optional power assists\* make your driving easier.**

Unlike other low-priced cars, Ford offers a power-lift system that operates on all four windows. And Ford's power-operated front seat moves up and down as well as back and forth. Ford also offers you power brakes, power steering and Fordomatic.

**Your fun really begins when you own a Ford**

Of course, you can't fully appreciate the many, many "with more" advantages that are yours in a '54 Ford until you actually own one. You'll find that your Ford provides the careful craftsmanship of a hull-tight Crestmark Body, the added safety of Full-Circle

Visibility, the easier action of suspended clutch and brake pedals and the convenience of Center-Fill Fueling... advances which make your Ford more fun to drive. And only Ford in the low-price field brings them to you. Why not join the swing to Ford!

**GREAT TV! FORD THEATRE.**

**We cordially invite you to Test Drive a '54 FORD**
