## Plan Regional

when the place and the prediction of the predict

(Continued from Page One) layed action on the request pend ing a legal opinion from A. Of Leconard, Township 'Autorney There is a question, in the opin on of the Board, as to whethe the township has the authority thandle the reservatiohs under the provisions of a court decree. In the disparation, but the continue the township not the city is accept ing reservations pending the fil ing of the opinion. My sincere thanks to all my sup porters in the Primary. Fred Wilkinson

and editissaries of the resistant and editissaries of the resistant end of the registrate.

But in traffic accidents, he continued, "catastrophe his come upon us so gradually that it is all taken for grainted. You get in your car and hope you'll get where you're golog."

Well said that recommendations will be made by the seminar to the state legislature. "Democrats (and Republicans allike are in agreement that the traffic coll must be stopped. The said.

Well explained that pecommendations of the seminar will be helped to the seminar will b competitive sports. juder the rules on which the lower peninsula committee his agreed, competition in down-hill, stalom and jumping for both hogs and girls teams will be held. Individual and team competition is planned, with awards to be made by the association.

Holland Capper of the Manister chools and Mrs., Ruth Meade, Gaylord High School faculty member nave been selected to serve Peppi Telchner on the race nittee.

nittee.

Another regional high school
meet will be held in Michigan
upper peninsula but no plans hav
been made for a state tournamen neen made for a state tourname his year, Mr. Bird said.

### THE BIG CITY

Is open fer ideas on their traffic problem—course they'll pay money and putcha on T.V. but we're jest little guys. However if, you got any ideas on how you—our customers—can straighten out the mess in our own parking lot we sure would like to hear 'em. We'll even letcha sit on the soft chair in the office to talk it over with the boss—and believe me—when yuh git the soft chair, yuh aint got no worries. Speakin' of worries—is yer dog eatin' good these days? [Wouldcha like a deal on some dog food? We've got some Friskies thatcha can git 3 cans of fer jest 35c. Got another deal too on this here Trend. It's another detergent whatcha can git 2 hoxes of fer 39c. Then there's some of this bonita another deal too on this here Trend. It's another detergent whatcha can git 2 boxes of fer 39c. Then there's some of this bonita that looks like tuna and tastes like tuna bet aint tuna. Anyhow you can git 2 cans of that fer 45c. If yer makin' a salad or sandwich don't yth want a head of our nicellettuce fer 19c? In the stuff we make ourselves there's our bacon what we're mighty proud of fer 89c a lb. and then we got some corned beef — either Kosher style or plain and made from the brisket of U. S. choice beef. It's jest 59c a pound. With corned beef goes cabbage and we have some new cabbage fer 10c a lb. Somethin' else different is fresh beef hearts fer 19c a pound and fresh beef tongues fer 29c a lb. With those you'll need some pure horseradish fer 25c a far, but be careful of it cause it's pure and it's really hot. Don't fergit to git yer dozen of grade A large fresh country eggs fer 65c, will yuh?
