Baptist Church Features Linton

REV. JOHN LINTON

In an effort to present residents in this area with an unusual series of meetings during the Lenten season, the First Baptist Church of Farmington is featuring Rev. John Linton, March 10 through 21, nightly at 7:45 to 9:45 except Saturdays.

Mr. Linton is greatly esteemed for his constructive spiritual message. This, plus his quaint humor and Scotch brogue has earned for him the reputation as "unquestionably one of the greatest preachers of our day." An internationally known Bible teacher and author, he has been active in preaching in the old world, Canada, and across the United States.

Like an additional feature to the meetings, the scholarly Scotsman will discuss nightly with expert and reverent use of Gospel magic, described by one as "America's leading Christian Magician."

The meetings promise to be unique and beneficial to all.

It has been indicated that both are interested in approximately ten acres each, which would leave roughly 18 acres in the parcel. Officials stated that the meeting was called because of the desire of one party to find out as soon as possible if the city wanted to dispose of the property.

The Council emphasized that the motion does not constitute a sale of the parcel, but sets up the procedures for sale subject to the conditions specified.
