Council Protests

(Continued from Page One)

In order to attempt to determine the reason for the change, but have been unable to secure a satisfactory answer. A representative of the Secretary of State's office stated Tuesday afternoon that the change was being put into effect throughout the state and is designed to simplify the licensing organization. It was intimated by members of the Council that they felt pressure had been exerted by the state to affect the change. However, this has been denied by the Secretary of State's office.

As a result of the order, a new schedule has been set up for the city. License Bureau and Licenses will be issued on Friday afternoon and evening as well as Saturday morning. The Friday hours will be 1 to 5 p.m. and 6 to 8:30 a.m. and the Saturday hours will be from 9 a.m. to 12 noon. Road tests will be given on Monday afternoon from 1 to 5 p.m.; Wednesday afternoon from 1 to 5 p.m.; and Friday afternoon from 1 to 5 p.m. Officials stated that this schedule is being set up on a trial basis and is subject to change.

In other action, the Council approved the plan of the Alta Loma Park subdivision subject to the streets being constructed according to County Road Commission specifications. The Council also approved the extension of water and sewer lines along Farmington Road to Cloverdale, the cost to be paid by the Farmington Development Corporation and to be reimbursed by the city after the July 1, 1954 budget. The sewer and water lines are to serve the west section of the Warner Farms subdivision.

Noted made by Conroy and supported by Cavanaugh that a contribution of Thirty-Five (\$35.00) Dollars be made to Graves-Walker Post No. 346, American Legion, to send a boy to Wolverine Boy's State. Motion carried, all yeas.

Motion made by Nourjian and supported by Cavanaugh that the following resolution be adopted and that copies be sent to the Oakland County Board of Supervisors and the other communities effected by the order of the Secretary of State's Office regarding the writing of operators' and chauffeurs' licenses:

- RESOLVED BY THE CITY OF FARMINGTON, as follows:**
1. That protest be and is hereby respectfully made to the Michigan Department of State, Division of Driver and Vehicle Services, to the adoption of change of policy as set forth in a letter of March 8, 1954, to the Chief of Police of this City, and which letter states the Police Department of this City may accept applications for Motor Vehicle Drivers' Licenses only from persons residing within the limits of the City of Farmington and that all other people must be referred to the Oakland County Sheriff.
 2. This resolution is based among other things on the following considerations:
 - A. The People residing in the Township of Farmington and surrounding territory will have to travel in most instances a distance of 32 miles or more to and from Pontiac.
 - B. People in surrounding territory now believe they can obtain such licenses in the City and the change of policy will cause confusion to the public and at times delay in securing licenses beyond expiration date.
 - C. Many people will have to take a day off work in order to meet the hours and times of procuring such licenses by a trip to Pontiac.
 - D. The City of Farmington has now in operation an efficient and experienced bureau for the examination of applicants for motor vehicle licenses and an adequate Police Force for test driving by applicants.
 3. The City believes that the License Bureau should be allowed to continue to take applications for Motor Vehicle Drivers' Licenses from people who reside outside the City, but who reside within a reasonable distance from the City Limits, and that this should be permitted to continue as a public service.
 4. The City of Farmington therefore respectfully asks that the change of policy as set forth in the letter above referred to be rescinded, or amended to permit the acceptance of applications for Drivers' Licenses from residents of Oakland County residing within a reasonable distance from the limits of the City of Farmington.

The City copy of this resolution be immediately transmitted to the Michigan Department of State, Division of Driver and Vehicle Services.
