Mrs. D. Otis Tewksbury, the class instructor, Mrs. Warren Joy, Mrs. Marie Lindland, Mrs. Angela Herrington and Mrs. Herbert Bevan made the trip.

The Pontiac Trail Farm Bureau will present a polo benefit dance at the West Bloomfield Town Hall on Saturday, March 20, from 8:00 p.m. to 1:00 a.m. Tickets may be purchased at the door and refreshments will be included in the admission price.

### Evangelists Scheduled To Appear At Clarenceville Church March 21

MISS ALICE MAXINE

Miss Alice Maxine will lead the Clarenceville Methodist Church, Clarenceville and Grand River, in a series of Evangelistic meetings.

The meetings will begin in the morning service at 11:15 March 21 and continue through April 4. Services will be held nightly at 7:30 except on Saturday.

Miss Martindale served the Clarenceville Methodist Church as youth director and parish visitor for three years previous to her entering the evangelistic field. She is an excellent preacher, and has had fine training for her work.

She attended Northern Baptist Seminary in Chicago for three years, and after attending Detroit Bible Institute for two more, graduated with honors from that school.

Miss Martindale, who leads the singing, has a music major from Providence Bible Institute. She plays the unaccompanied piano, and does fine work with the children.

There will be children's meetings Monday through Friday the first week of the meeting at 4:00 p.m. Object lessons, Bible stories, magic, and fun stories, and a wonderful time for all the boys and girls are planned.

Miss Martindale is a member of Clarenceville Methodist Church, one of many who are in full-time Christian service.

A large chorus choir will be singing nightly. Mrs. Paul A. Brown will be at the organ.

Rev. Elsie A. Johns is the pastor of the Clarenceville Methodist Church, serving in her thirteenth year.

There will be a June wedding planned by the couple.

Miss Martindale will be a June graduate of the Farmington High School. Her fiancé is now serving with a paratrooper unit at Fort Bragg, North Carolina.

SILK DEFINED AS IMPORTANT SPRING FABRIC

Collections of silk fabrics for 1954 show a modern trend of styling, reports Mrs. Josephine H. Sawyer, the home demonstration agent for Oakland County.

Women will find that some of the silks offer a new textural feeling achieved through being combined with other fibers. Ethical, natural or quality synthetics are used. The aim of these combinations...wider usability of easier-keeping.

Silk and wool blends are designed for use in tailored suits and dresses. Silk and one of the synthetics (nylon, orlon, dacron) are combined in other cases for fabrics especially favored for their wrinkle-resistance qualities and their ability to hold sharp pleats.
