Looking Ahead By DR. GEORGE S. BENSON

(Continued from Page 2A)
will require the investment of
\$10,000 ner job by business and
industry, of \$10-billion in new
capital each year.
When all the facts are reviewed our citizens can be enthusiastito hout the conomic potential
of our nation. There is only onb
lig IF in the picture. These advances are sure to come IF we
affeguard the basic elements ôf

ig IF in the picture. These ances are sure to come IF alloguard the basic elements as American private enterphystem, and give it the freed and incentives that keep its and strength surging forward.
