Katy, youngest daughter of the William and Shadyside Avenue, is reported quite ill.

Mrs. M. E. Ault of Mayfield Avenue spent Monday with her club-mates at the home of Mrs. Anna Pauline in Farmington.

Mrs. A. R. Oldham of Farmington Road spent a few days of this week with her daughter, Mrs. Ault, in Detroit.

Miss Mary Grant of Farmington Road recently spent a day visiting relatives in Chicago.

Forrest Ault of Hubbard Avenue visited in the Irish Hills Sunday.

Mr. and Mrs. George W. Sand and their daughters of Hubbard Avenue spent Tuesday in downtown Detroit.

Mr. and Mrs. William Richardson of Redford recently spent a day visiting with their daughter, Mrs. Robert Long, and her family on Mayfield Avenue.

Freda Ault of Norfolk Avenue was visiting with Mrs. Charles Haas in Redford Friday.

Frank Possner of Farmington Road, who has been seriously ill, is now somewhat improved.

Neighborhood Sunshine Sisters held a St. Patrick's Day meeting in the Neighborhood Church last Wednesday afternoon. There was a fine attendance and almost every lady arrived wearing a green garment or bow or carrying a green handkerchief. Believing St. Patrick taught the Golden Rule to his Christian converts in Ireland, the Sunshine group took up the "Golden Rule" as a devotional topic and an interesting, profitable discussion resulted. A true life story given by Mrs. Charles A. Armstrong was most impressive.

LEGAL NOTICES

DOG-QUARANTINE

FARMINGTON CITY

The fact has been established that dogs affected with an infectious and communicable disease known as "Rabies" have recently been at large within the County of Oakland, Michigan, and are known to have bitten persons and animals and may have come in contact with dogs as yet unknown in the City of Farmington.

Notice is hereby given that any dog which is owned, kept, or harbored within the above named City of Farmington shall be securely chained, confined or secured and under physical control of the owner or custodian of such dog to prevent the aforesaid dog from attacking or biting any other animal or person. No such dog shall be allowed to run at large within the quarantine area during the period of this quarantine. Dogs may not be removed from the City of Farmington unless accompanied by permit from the Oakland County Department of Health. Such permits may be secured from the Department of Health or its authorized agents on presenting evidence of vaccination against rabies within six months performed by a licensed veterinarian.

The attention of all owners or keepers of dogs in the above named territory is hereby called to the following sections of the Michigan State Laws:

Act 308 Public Acts of 1909

Section 1. It is hereby made the duty of all township boards of health to whom cases of rabies among dogs are reported to immediately investigate the same by some member or members of the board; and should such investigation show a reasonable probability that a dog is affected with the disease known as rabies, the said board of health shall immediately establish such temporary quarantine as may be necessary to prevent the spread of the disease and to make immediate complaint thereof in the manner provided in Section 4 hereof.

Section 2. The order of the board of health to restrain, confine or muzzle dogs shall be operative when a copy of such order shall have been left at the usual place of residence of the owner or owners of dogs that are believed to have been exposed to the said disease, or when a copy of said order has been posted in 3 of the most public places in the township or part thereof to which said order applies.

Section 3. Any person violating any of the provisions of this act, or of a quarantine or regulation or order to restrain, confine or muzzle dogs, duly established or issued by the board of health as provided in this act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be subject to a fine of not less than 10 dollars nor more than 100 dollars, or to imprisonment in the county jail for a period of not less than 10 days nor more than 30 days, or both such fine and imprisonment in the discretion of the court.

Act 308 Public Acts of 1927

Section 6. The county or district board of health, or the health committee of the board of supervisors, shall have and exercise the same powers and perform the same duties as a board of health as conferred by law upon the boards of health of townships, villages and cities.

This quarantine shall be in full force and effect from and during the period between March 23, 1954 and June 23, 1954, inclusive. DATED: March 18, 1954. Oakland County Dept. of Health John D. Moore, M.D., Director March 25, 1954

The next Sunshine meeting will be held in the Neighborhood Church Wednesday, March 31, at 2:00 p.m. "A Fool" will be the topic but Mrs. Stanley Chavez will provide Angel Food for refreshment.

Many of our local residents are extending sympathy to Earl Cooke of Hugo Avenue, whose brother, Charles Cooke, died at his home in East Detroit Thursday. Besides his wife, seven other brothers and sisters, as well as Earl,

survive the deceased. Funeral services were held at 2:00 p.m. Saturday from the Crabb Funeral Home in Detroit, and interment was made in Roseland Park.

One of the most alarming of recent grass fires was that originating near the Walt property on Farmington Road last Saturday. It swept through vacant acreage between Farmington and Shadyside Avenue, barely missing homes. Arrival of Livonia's Fire Department put an end to danger. A grass fire starting near the

Johnson home on Clarita Avenue Tuesday spread rapidly and Ed Johnson employees, working nearby helped smother the flames. The fire department checked to make certain all ways safe.

During last week end practically all children and grandchildren of Mr. and Mrs. Emerson Ault called or visited at the Ault residence on Mayfield Avenue. Exceptions were the Johnson Porters, who, at their home near New London, Ohio, had been snow-bound for a week. The occasion

was Mrs. Ault's birthday. She received a large number of lovely gifts and congratulatory letters.

Gerold Diehle of Northville was visiting with his parents, Mr. and Mrs. Robert Diehle, on Shadyside Avenue Thursday.

Last week end, Marion, Anne, Hannah and Don Johnson of Clarita Avenue made up a house party at the home of their grandmother, Mrs. Emerson Ault, on Mayfield Avenue.

New Pamphlet Tells Story of Livonia's History

Every home in Livonia has been sent a copy of a sparkling vividly illustrated 64-page booklet which tells the story of the community's amazing transformation from a rural township to a modern industrial city in a span of less than four years.

"Livonia, USA" is the inspirational title given to the two-color booklet mailed this week to the city's approximately 6,500 households.

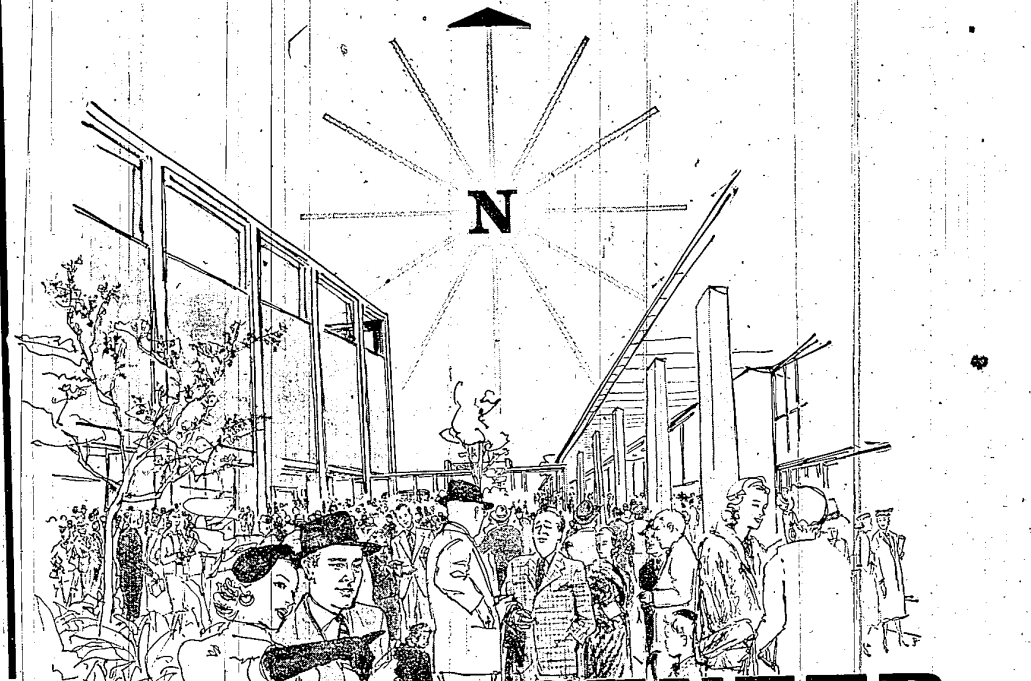

The booklet also explains how each branch and agency of the city government serves the people.

Highlighted in the Livonia story is the surging vitality of a city which took in stride a population jump of 18,000 to 37,000.
