Industrial pursing was founded in England in 1878. In that
ever 1 MFs. Jeremin Column bired a Miss Philippa Flowerday to
work not only in the family's
mustard mill, but also to follow
up the sleek employees, in their
houses. This was one of the first
links to be established between
the factory and the home.

# WASHDAY!

# OH, HOW YOU DREAD IT!

Does the thought of washday make you shudder . . ? Do you dread lugging that heavy laundry basket, and hanging soggy. Clothes up to dry (you hope)? Don't despair! There's a remarket for the same and the same laborations are same and the same laborations.

edy for your washday blues ...

An oil well recently discovered about three miles north of How-ard City has been "shut in" to awai! location of storage tanks at the site, conservation department geologists say.

The well is a deeper test in the Winfield gas pool and the "pay" zone is 2345 feet below the earth's surface in the Reed City rock formation.
