råded to inferview Rober, Arthur I asked him his height, which he said was 5° 8°, and I noticed his hair and eyes were heth brown. He said he was horn March 40, 1936, in Detroit, Michigan. I sked him what his pet perve was. Bis answeid was very short and the he policy "Ford owners His twente teichers are Mr. Young and Mr. Deloch. His favorite male singers are the "B D's" (Johnny Deemond, Don Cornell, and Allen hale), singing his favorite song, 'Heart of My Heart'. Bob also likes Teres' Brewer.

the Perris Service Station.

The real president of General Motors just walked in and he ask-d Bob and me if we would like a dide home in a new "Chevie". Of fourse, we accretted.

As we drove up to tile Perris Service Station, Bob's hest friends were waiting for him. They are lim Cummings. John Ferris, Wayne Grose, Kén Jacobson and Jyan Seaton.

Well, I guess I'd hetter go my way and let Hob tell of his exiting experience. Maybe some lay he perfection, and he was a supplied to the letter of the lay he really will be pure-ident.

It's Smart!

And practical, too. The usual plaid design and wrought iron legs will set off any kitchen. The spring back chairs are as comfortable as most lounge chairs. The extension leaf is concealed in the table.
