That the rain will hurt the rhubarb? Didn't hurt the asparagus cause we got a deal all cooked up with a man that's gonna bring cause we got a deal all cooked up with a man that's goinn a ring it in fresh cut from his own farm if the weather is agreeable!

Course when it's kindda cool like this Tuesday a person feels more like cooking — and have you had corned beef and cabbage around your house lately? You know we make our own corned beef — kosher style — and it's only 59c a b. When you have that fer dinner you don't need a whole mess of other stuff so it's an easy meal. Then we'll have fresh dressed fryin' chickens this week end fer 59c a lb. With that what's better than fresh asparagus and a fruit salad. Fer the salad use Defiance fruit cocktail—a big can fer 39c— and toss in a couple bananas or somethin' like that there. Fer a dressin' there's Shedds by the quart jar fer 39c each. Course you'll need a good meal if yer workin' outdoors or cleanin' house and we got some stuff fer both! There's them settin onions yet fer 19c a lb. and that grass seed in a 5 lb, bag fer \$1.89. Fer wall washin we got sponges in all sizes and colors and fer rug cleanin' there's Glamorene and H & H soap. Fer the dog we have some Defiance dog food in, a can what is 3 fer 25c that we betcha he sure would like some of. Don't fergit to feed him — will yuh?
