

Juniors Make Plans For Next Year's Activities

On Wednesday, June 9, the Junior Class of Clarenceville High School held a meeting in the cafeteria.

The meeting was opened by President Richard Godelle. Secretary Joyce Timberlake read the minutes of the last meeting, held May 2. The class then discussed plans for their senior trip and a committee was chosen to make preparations and hold meetings this summer. In this way information will be available for the school year.

Another committee was then chosen for Christmas cards. A meeting of this committee will be held shortly.

Plans were discussed the rest of the hour for a class picnic to be held in the middle of June. The meeting was closed by the president.

Stones are flying, people running, and dust clouds the road! What is it?

A tornado? A hurricane? A sand storm? Oh, no! That dust and smoke are just from Jerry's car, as he squealed out of our parking lot. It's a wonder he made it. It's also a wonder that those who were in his way didn't get hurt.

Let's follow him home, shall we? There he goes down the street, avoiding all signs of speed limit. He almost hit the school bus, too, but he didn't. He's fast, oh no. According to him, he is some kind of the highway and his one and only motto is: "Look out for Jerry!"

If this wise guy sees his girl friend walking home, he quickly screeches on the brakes in the middle of the road, wherever he may be. What happens to the car behind Jerry? We never know because Jerry isn't concerned about anyone but himself.

After picking up several of his friends, they decide to raise a little rumpus on the way home so they stick their heads out of the available spaces and yell to people and do various other juvenile things.

Well, it's a wonder boys like Jerry get home in one piece. You would think that with all the recent articles published about reckless driving, this kind of people would be more careful than they are. Some day it may be too late and the consequence isn't anything to laugh at.

Most automobiles are used for serviceable purposes so why not use them to your best advantage? Who cares how loud your muffler is, or how loudly your brakes squeal? What is the purpose of that? What good is your car if it goes past 110? That isn't important. The important thing is, in owning an automobile, you be careful of others on the road and be a good driver. Set good examples for others. Did you know that practically all of the accidents today are caused in traffic mishaps. Are you a Jerry?

V. C. Y. HAS HONORED GUEST AT REGULAR WEEKLY MEETING

The V. C. Y. Club held its weekly meeting in Room 14 with Donald Douglas opening the meeting and leading the group in singing.

Mr. Hoover, Dean of Education at the Detroit Bible Institute, spoke from the host of Colonians. He gave a discussion of the school and the group discussed questions concerning the school. He also invited the club down to the institute on some free day.

Three boys from Redford gave their testimonies before the group.

Next week Vernal Shannon, from the Hebrew Christian Mission, will speak to the club about the Jewish problems in Detroit.

Next week's meeting will mark the club's third anniversary. It will also be the last meeting of this school year.

Senior Highlight

As I walked down the hall, who should I bump into but a cute senior gal named Mary Broman. Mary is 17 years old as of last July 22. She's 5' 4" tall with dark brown hair. Mary was born in Escanaba, Michigan, and is quite the hillybilly fan. Her favorite song is any hillybilly song. As for favorite singers, she likes Eddie Arnold and Kay Starr.

Mary's favorite color is red, her favorite teacher is Mr. Young, and she likes to swim and roller skate. Mary is usually found with Delores Koenig, Betty Dickson, Elaine Hall, or Elaine LaBrecque. If she is not with these girls she is usually at the Rendezvous Drive-In.

Last, but not least, Mary's future ambition is to get that diploma in her hand that says she is a graduate of Clarenceville High School.
