

Looking Ahead

By DR. GEORGE S. BENSON

(Continued from Page 2A) — least one billion out from the \$3.3 billion for "mutual military aid program." And who can prove to the hard bit taxpayer that, in these critical times, when the economic health of our nation is so vitally important, a substantial savings couldn't be made in the proposed \$29 billion for "other expenditures?"

The health of our private enterprise system is at stake. No longer can businessmen act solely about a proposed policy or action. "Is it sound?" They must ask. "What is the effect on our tax position?" Progress, in many cases, is being halted. Not enough is left after taxes to create enough new jobs for the youth. These are true facts. They should move all citizens to demand an immediate, drastic cut in the size and cost of government.

Visiting Nurses Group Hears Guest Speaker

Miss Elizabeth Vaughn, nutritionist from the Visiting Nurses Association, spoke to the Visiting Nurses Association of Farmington at a recent meeting at the home of Mrs. William Aalepp.

Miss Vaughn explained her work with VNA and the duties she performs for the group.

A report from Mrs. Redmond, district supervisor for VNA, disclosed that 65 visits had been made by nurses in the Farmington area during May, indicating an increased use of the nursing service.

Though Farmington VNA will not meet again until September, visiting nurse service will still be available this summer. Anyone desiring a visiting nurse should call Lincoln 2-1200 or Farmington 0272.

Augustine-Render Rites Performed

The Wixom Baptist Church was the setting Saturday evening for the wedding of Letheona May Augustine, daughter of Mr. and Mrs. Henry Augustine of Duno Road, and Harold Lee Render, son of Mr. and Mrs. Leo B. Render of Walnut Lake Road.

The Rev. William Green performed the 8:00 p.m. ceremony before 150 guests. The altar was decorated with palms, white gladioli and candelabra.

The bride, who was given in marriage by her father, wore a gown with white lace bodice and sleeves that ended in point of the wrists. The skirt, with panels of lace and pleated nylon over satin, was floor length and worn over a hoop. Her fingertip veil was fastened by a headpiece. Lace petals held with tiny pearls to match the gown. She wore a pearl necklace and earrings, a white wristlet, and a white corsage. The bridegroom wore a tuxedo with a white shirt and a white bow tie. The ceremony was followed by a reception at the home of the bride's parents.

Matthew Carey, receiver. The changes involve the elimination of the present meter deposit and the placing of a \$240 individual limit on the debt service. Carey stated in recommending the changes that they would strengthen the system. He added that the policy changes have been approved by the Federal Court. The Board requested Leonard to submit a recommendation on the proposed changes.

Fred Westlake suggested that action be taken by the Board to clean up the roadsides along Shiloh and Independence from Oxford to Inkster Road. The Board approved a motion authorizing clean-up crews to take care of the condition.

Active Meeting Held By Jaycees

Installation of officers, the honoring of past presidents, and an address by their charter president provided the Farmington Junior Chamber of Commerce and Jaycees last Saturday with a full evening of activity. Following the dinner and dance at Hickory Hill Country Club, an open house was held at the home of Mr. and Mrs. Philip Thomas, retiring president.

Robert Clarke was installed as president for the ensuing year. Also installed were Bill Conner as first vice-president; Don Pieroni as second vice-president; Charles Bridges, secretary; Paul Brunstein, treasurer; and John Courville and Philip Thomas as directors.

James Tagg, first president of the organization when it was founded in October of 1949, delivered an address on individual dignity, emphasizing upon the Jaycees their responsibilities as present citizens and future leaders of the community and nation.

A surprise feature of the evening was the awarding of plaques of appreciation to the past presidents of the group. Those honored included Mr. Tagg, Mr. May, Roy Erdmann, Robert Cassell, Ed West, James Warner, and Philip Thomas. Charles Bridges served as chairman of the dinner and Warner Claus was master of ceremonies.

The regular June 21 meeting of the Jaycees was postponed for one week because of its proximity to the installation dinner. The next get-together will be an outing to the Hot Rod Races at Motor City Speedway on Monday, June 28.

The \$1,500,000 bond sale is being made for the purpose of defraying the cost of erecting and furnishing new elementary school buildings and addition, to the new high school building as well as acquiring sites for the elementary units. PROPOSED ZONING

from property owners whose homes face on the west side of Maple between Cloverdale and the Cut-Off. This area is the most fully developed at the present time, and is separate from the Warner Farms Subdivision.

According to the petition, the area to be rezoned extends from Farmington Road east to a line at least 160 feet west of Maple, and from the Cut-Off north to a line at least 160 feet south of Cloverdale. The property on the south side of Cloverdale was platted and recorded some time ago. The developers stated that the plan call for a green belt to separate the residential from the commercial area in rear of the lots on the south side of Cloverdale and the west side of Maple.

store and Mrs. Nezeth called in to report the hold-up.

In the meantime, Misenar had begun to trail the car which had turned into the Floral Park section. After a short chase the car headed south on Litae as Misenar, suspecting the men might use the street to get back out onto Grand River, was proceeding north. He forced the car off the road and was searching the two men when Henry Nezeth and Irving Yakes, Township Policemen, arrived.

The two men were brought back to the station where they were identified as James Robertson, 1735 Westbrook, Detroit, and Robert Kipper, 18105 Evergreen, Detroit. Mrs. Nezeth identified Robertson as the man who entered the store. The money was recovered and the two men were transferred to the Oakland County Jail.

IT'S THE BERRIES!

But this year it ain't strawberries. Usually we have 101 people around here with berries and this year there ain't nobody so we doped it out that if yuh want some fer yer locker or deep freeze maybe you'd like some Birdseye frozen berries before the price of them goes up. Now if yuh want a dozen packages they'll cost yuh \$3.25. If yuh jest want 3 boxes that'll be 85c. Then it's always fun gettin' stuff outta the frozen cabinet cause it's so cool there so howz about 6 cans of Birdseye orange juice fer \$1.19. With all that juicy stuff someone is sure to dribble a little so yuh better have a box of napkins handy and we've got that real soft Veldown napkin fer 29c a box. You'll need a napkin too if yer eatin' watermelon. We've got a pile of 'em in the cooler so if yuh want it cold that's the way we'll sell it. This seems to be the weather fer cold stuff to eat and drink and salads seem to be in order so maybe you can use a quart of Shedd's salad dressin' fer jest 39c. Yuh heedin' butter too? Want a pound of Vlasic fer 59c? We got it. Since we don't know what the week-end will be, hot or cold, we dunno what to suggest fer meat but we'll have a counter full and if yuh don't see whatcha want — jest ask — we probably got it around someplace — OK? We'll have fresh dressed chickens, too. Will you have one?
