**Lutheran Church Nearly Completed**

Work is now being completed on the new St. Paul's Lutheran Church at Eight Mile and Middlebelt Roads with dedication ceremonies tentatively set for Sunday, October 3. Outside work is now nearly completed with work on the inside of the building progressing nicely. Reverend Walter Rutkowski stated this week. A new organ is being installed this week, with pews expected within a week or ten days. Choir members, under the direction of Harold Kewer, organist and choir director, are practicing hymns to be sung at dedication services. The next building project at the church, to be started within the next three or four weeks, will be the addition of an L-shaped wing on the church. The wing will include four new school classrooms, a library, an office for the school principal, and a cloak room.

votes compared to \$6,000 Democratic.

An important reason for the heavy Democrat vote in Wayne they say, is the hot campaign to elect Hart over Fitzgerald. They believe many GOP voters will appear in the fall election.

Biggest worry for Democrats is what will happen to the primary vote for Fitzgerald.

The Williams camp made it clear that they had no objection to Fitzgerald because he was backed by the Teamsters Union. They considered him a poor party man. While anxious not to chase away any votes, they claim they have no plans for overtures to the Hofa group. Nor have they received any.

The Williams group does not like to think about the possibility, however remote, that many of Fitzgerald's votes will switch to GOP.

Republicans think that most Democrat campaigning will boost Governor Williams; that McNamara and Hart will be little more than cantaloup riders.
