WORK ON STREETS

Work is progressing on the re-construction of roads in the Kem-perton Park Subdivision, west of kiddlebelt and north of Nine Mile Road, Ernest Blanchard, Township Supervisor, announced this week. Blanchard stated that all of the

roads in the subdivision are being brought up to County Road Com-mission specifications. A total of six roads are involved in the project, including Tulante, Albion. Coltrate, Putene, Astor and Grey-field. The township has agreed to pay for the cost of the road im-provements with the property own-

REQUEST FINAL BUILDING PERMITS IN BEL-AIRE SUB

Building permit applications have been filed for all of the remaining lots in the Bel-Aire Sub-division, city officials announced this week.

A total of 267 permits have been

A fotal of 387 permits have been secured or applied for by developers of the subdivision, officials added. Construction is already well inder way on the homes in the asstern section of the development. In addition to the residential loss, frontage has beef ollocated along the east side of 10% of the development of the development of a commercial center.

Know the dealer before you buy a CARS **Used Car or Truck**

And we Ford Dealers are the men to know! We have the modern facilities and expert Ford Mechanics to service used cars and trucks before we put them up for sale. And remember, we Ford dealers don't depend on used car profits to stay in business. We have a good name to uphold and we want you as a permanent customer . . for more used cars . . . Ford Dealer service . . . and a new Ford someday.

You can depend on ...
