WELL--HERE WE ARE!
Now we have to put on our thinkin' caps agin and git back in the groove. Believe me -- it's really groovy, too, cause we're gonna have new hours. We'll be open Wednesday afternoons now and on Thursday and Friday evenings until 8 p.m. Along with the new hours we've snuck in a new line of jams called "Smuckers" and if you like good jams we know you'll be back for more of these. Now with school startin' and maybe some cool weather comin' are yuh fixin' to do some bakin'? This week end we'll have 25 lbs. of Gold Medal flour for \$1.89 and 8 lbs. of Crisco for 89c. Efen yer samplin' how good yer bakin' is maybe you'll want a cup a coffee and all our 1 lb. tins of coffee are 99c each. We're also gettin' home grown Honey Rock and Hearts of Gold melons now. They make good eatin' fer breakfast, dinner or supper -- or do you have breakfast, lunch and dinner at yer house? Now fer breakfast or lunch there's our own hickory smoked bacon fer 79c a lb. Want some juice -- would tomato juice do? There's 4 cans of 46 oz. Defiance fer 99c. Fer yer week end eatin' we'll have picnic hams fer 49c a lb. and fer another 49c a lb. yuh can git a stewing chicken. With all that flour yuh can have some dumplin's top. Then there'll be some beef roasts fer 39c a lb. Gotta have something fer the dog, too -- suppose he would like 5 lbs. of Millers Kibbled fer 69c???

Schools Expect
(Continued from Page One)
will consist of four hours of classroom instruction, with one group attending in the morning and the other in the afternoon.

Officials of the Clarenceville School District are expecting a record enrollment of 2,075 for the 1954-55 school year which represents an increase of approximately 10% over last year.

SPRAY PAINTING OF HOME EASY, MUCH FASTER THAN BRUSH
Spray painting doesn't call for more precautions than brush painting, and you can paint your house three to six times faster.

City Zoning Case
(Continued from Page One)
upon the applicant if required to adhere to the strict letter of the ordinance. Boren also claims that he was given oral approval to begin construction and that he had expended about \$1,000 on the excavation and footings before the stop order was issued by the building inspector.

Auto Accidents
(Continued from Page One)
mortality in Michigan. Leo F. Fendt, owner of Fendt Building Supplies, was injured and is now convalescing at the Henry Ford Hospital in Detroit. He received a severe cut around an eye, a broken nose and minor injuries to his jaw and chest.

Hearing On City
(Continued from Page One)
by the Zoning Board of Appeals. The rezoning of the property is being requested to permit further expansion of facilities.

One Dead, Two Injured In Crash
The force of the impact when two cars crashed on South Farmington Road Saturday evening is evident from the picture above of one of the cars involved. One person died and two others were injured seriously in the accident.

Statewide Child Safety Program Starts In State
Superintendent of Public Instruction Clair L. Taylor announced this week the opening of a statewide traffic safety program aimed at reducing accidents to school children.

UF Group Studies Budget Requests
A review of the budget requests for the 1955 Farmington Area United Fund and Community Chest was held Wednesday evening at the home of Joseph DeKies, Chairman of the Budget and Admissions Committee.

STATE SETS DATES FOR 1954 FALL WATERFOWL SEASON
Waterfowl hunting seasons in Michigan this fall will be about the same as last year with a few minor changes, the conservation department reports.

Early Redemption of Gift Certificates and Due Bills Would Be Appreciated
The reduction in the merchant's loss limit is of little importance, game workers say. In general, the birds are only hunted incidentally to other species and hunters seldom count them a primary target.

Consider Tighter Subdivision Plats
(Continued from Page One)
The existence of these facilities are becoming increasingly important as the township continues to develop. They are important to the welfare of the individual home owner as well as the health and safety of the entire community.

Softened Water Hard On Plants, Specialist States
If your home water supply has been softened, don't use it on your house plants. That's advice from C. E. Wildon, a horticulturist at Michigan State College.

VANDAL PROBLEM IN STATE PARKS IRKS OFFICIALS
Efforts to fight vandalism in state parks this year have met with only limited success and the problem has continued to disgust both state officials and private individuals alike.
