POST OFFICE READY. FOR CHILDREN WHO WANT TO SAVE

States Series E Savings Bond.
Postmaster Henry Trombley
said that plans are now being
made by some-school administrators and teachers to expand student participation in the Treasurysponsored School Savings program
during the ensuing year.

"The Treasury house to Increase

during the ensuing year.
"The Treasury hopes to increase
by two million students the number able to save regularly with
Savings Stamps. At present, five
million boys and girls from kindergarten through high school
have the opportunity to participate
in the School Savings program.

"Aside from saving to purchase ries E Savings Bonds," he con-Series E Savings Bonds," he con-cluded, "our school students are taught the benefits of regular therit and wise money manage-ment — lessons they will carry into adult life to the benefit on themselves, their families, their compunity, and their country,"

"The first act of any dictator-ship is to suppress freedom of in-formation"—Alberta Gainza Paz.

With the opening of another school year, local post offices are prepared for a brisk demand for United States Savings Stamps by therity students and parents. Stamp albums will be furnished free by the local post office to anyone desiring them. When these are filled, they may then judged with speles to anyone desiring them. When these are filled, they may then judged with speles to the service of the service

section.
Truck, traveling on Grand
River, was hit brondside by a car
driven by Louise McDonald Schillo
of Detroit. She was proceeding
north across the highway on Middlobelt Road. The truck was driven by Lynn Matthews, 42359 Thirteen Mile Road. Walled Lake.
Neither party was injured.
Fallure of the mechanical
blinker light at the intersection
was listed by police as the cause
of the accident.

in accordance with the Oakland County Health Department regulations and instructions, as a new factor of the easily. It was emphasized that the existing water supplies that the existing water supplies to the existing the existing water supplies to a sufficient to enable the District to proceed with the construction of needed classroom additions to the Westbrook School.

In view of these facts, the resolution provides that the District approve the request of the Citizens' Water Committee for a water system in the area and petitions the Township Board to take the necessary steps to provide such a system. A copy of the resolution was filled with the Township Board earlier this week.
