

Students Entertained With One-Man Show

Don Weage, humorist and song and dance man, appeared Tuesday, October 12, before the Clarenceville student body through the sponsorship of the Student Council.

He presented a satirical portrayal of a "typical" middle-aged boy and then played the piano to accompany his singing. Next he gave a serious reading entitled "What is a Boy?" Then he pantomimed a slapstick comedy in the prescribed manner of Charlie Chaplin. He finished his performance by doing a song and dance routine.

WITH BALLIST TROUPE

Jim Brusock, a former student of Clarenceville High School, is now touring with the "Ballist Russe De Monte Carlo". The troupe will be at the Masonic Temple in Detroit November 11, 12, 13, and will go to Europe in the spring.

James is the son of Mr. and Mrs. Stanley Brusock, who live at 1374 Deering, Livonia, Michigan.

School Band Plays At Briggs Stadium Oct. 10

The High School band, under the direction of Mr. William Lyons, played at the Detroit Lions vs. Los Angeles Rams football game October 10 at Briggs Stadium. The band formed the letter "L" in Lions.

A thank-you letter from William T. Overguard, director of music at Wayne University, was received for the performance of the band. He stated that he was overwhelmed by the performance of the bands, due to the fact that they had no dress rehearsal and it was raining during most of the game.

Election of band officers was held September 28. Robert Barnes was elected president; Gerald Rogers, vice-president; Dorothy Phillips, secretary; and Richard Laupitz, treasurer.

Local Court Joins With State In

Judge John J. Schulte, Jr. this week announced that his court is cooperating with the State Safety Commission on the October-November Safety Campaign to reduce pedestrian accidents.

Motorists are expected to take into account the special hazards of the season — more hours of darkness, rain, snow, sleet, and more pedestrian shopping.

The death of over 400 pedestrians a year in Michigan is reasonable proof that many motorists have failed to drive as safely as the law and their driver's license requires.

"While there is no separate law in Michigan requiring motorists to slow down when approaching pedestrians, as there is in some states, the violation of the Michigan basic speed law, running red lights and stops signs, improper turns and dangerous passing frequently endanger the pedestrian," the Judge said.

"This court will make a special point of inquiring of police officers in each case whether or not a pedestrian was endangered and will take this into account in determining the penalty to be assessed against those found guilty," the Judge added.

According to Judge Schulte, there is no excuse for motorists falling to slow down and exercise special caution when they see a pedestrian or approach areas where pedestrians are likely to be found.

"Quite aside from the law," the Judge commented, "any motorist driving a ton of steel should display special caution for the man on foot who is the under-dog in the traffic stream. Witnesses are frequently appalled at the discourteous motorist who sears a pedestrian half to death by just missing him or splashes water or mud on him when it is raining."

Those who fail to heed this advice, "Watch for that Walker," and are found guilty of speeding after dark can expect especially firm treatment from this court, Judge Schulte said.

Station To Hold Grand Opening

A Grand Opening celebration will be held this Friday and Saturday, October 22 and 23, at the Farmington Pure Oil Service at 29709 Grand River, three blocks west of Middlebelt Road.

Formerly Shay's Service, the station is now under new management. Recently taking over the station was Robert Sweeney of Farmington. He is well known to this area, having managed the Pure Oil Service station in this city for some time. His home is at 1941 Westmore.

All residents of the area are invited by Mr. Sweeney to inspect the new Pure Oil station during the grand opening celebration. There will be gifts for adults and children.
