# 'Year Of Charger Strikes Again' Churchill's Price No. 1 Coach

FRED PRICE Top Track Coach

The "Year of the Charger" is finishing up with a roar. Churchill's Fred Price has been selected the No. 1 track coach of '73 in the Observer area. This has to complement the "Year of the Charger" in which Churchill's Ken Kaestner was chosen the top football coach and Pat Montano the No. 1 basketball mentor.

The 30 year old Price graduated from Metea High School in Indiana in '60 a 16 letterman. Fred was involved in cross country, basketball, baseball and track.

The then 64, 185 pounder in his senior year averaged 18.6 points a game and 18 rebounds a game in basketball and was selected to Indiana's Top 100 roster.

Price attended Springfield College in Mobile, Ala. on a basketball scholarship and in his senior year averaged 18.6 points a game and 18 rebounds a game in basketball and was selected to Indiana's Top 100 roster.

ness education and minored in physical education. Fred married in '68 before graduating and he and his wife Linda now have two year old son Greg and a two week old daughter Shannon.

Price picked up his Masters in school administration at Eastern Michigan University in '68.

He came to Livonia in '68 where he started at Emerson Junior High in physical education and coached basketball and track.

In 1970 Price moved to Churchill High where he took over the head track and assistant basketball chores.

His junior varsity basketball team at Churchill has picked up a 33-9 record for four years and have never lost a game in Western Six competition.

Price and his Chargers got off to a rough start in '70 with an 0-10 record but came back to finish runnerup in the Western Six in '71 and sported an overall record of 5-5 in dual competition.

Churchill won the league last year and stood 6-2 and repeated as league champs this season. It compiled a 6-1 record, along with the tie for first in the Observerland Relays, the Western Wayne Relay championship and a sixth place showing in the mile relay in the state along with a 10th in the 440 relay.

"Overall depth has to be the story at Churchill," said Price. "We really didn't have any outstanding prep, everyone just carried their load and we had a great season."

"Bob Armstrong and Dave Westover more than carried their own from the coaching angle," added Price. "With-

out them, I just couldn't have done it."

# Eagles Stun Edsel Ford

The Thurston Eagle wing might have been clipped but it is still flapping.

For the second straight baseball season, Thurston dropped its Northwest Suburban League finale to finish second best.

The Eagles were clobbered by Franklin, 11-2, but rebounded to score their biggest triumph of '73 in a pre-district clash against the No. 2 ranked team in the state.

Thurston upset Edsel Ford in nine innings, 5-4, to move into district tourney action against Garden City East in the 10 a.m. game at Dearborn High, Saturday (June 2).

Edsel Ford was sporting a 14-1 mark prior to the Thurston battle. Thurston now stands 16-2.

"The kids really came back after the loss to Franklin," said Thurston Coach Emil Majeski. Majeski went through almost his entire pitching staff to win the Edsel Ford contest.

Rick Bylin started, went three innings, allowed four hits and four runs, struck out one and walked two. Ray

Ivey, Ken McLean, and Mark Falvo followed Bylin, with Falvo picking up the win.

Falvo worked the final 2 2/3 innings, gave up one hit and struck out five. It was Falvo's eighth victory in 11 decisions.

Randy Owen went the distance for Edsel Ford. He allowed five runs on six hits, walked three and struck out 11.

Four straight hits by Tom

Burk, Barry, Bruce Gomolak and McNally scored three to make it 4-4. That's the way it stayed until the ninth.

Gary Chappell led off with a base on balls and stole second. With one out, McLean singled for his second hit and Chappell dashed in with the winning run.

# Sports Hall-Of-Fame Site Announced

The search for a site of the newly founded National Polish-American Sports Hall of Fame is over.

The campus of the Orchard Lake Schools - St. Cyril and Methodius Seminary, St. Mary's College and St. Mary's Preparatory School, will be the location.

The recently dedicated Dombrowski Fieldhouse will house the Polish-American Sports Hall of Fame.

Approval of the site was announced by Ed Browalski, chairman of the Polish-

American Sports Hall of Fame panel.

"Recognition for achievements of the many great Polish-American athletes has long been overdue," said Fr. Walter Ziemba, president rector of the Orchard Lake Schools.

Voting for the initial inductees to the Hall of Fame is in process and the results of the balloting by the 21 man selection panel will be announced in mid-May.

# Dearborn Tips Bentley In 12th

It took 12 innings before anyone crossed home plate and Dearborn decided to do it three times while Livonia Bentley had to settle for two and a 3-2 Suburban Eight baseball loss.

Bentley's Dan Vezina and Rich Gorgeau locked in a pitcher's duel with neither team putting together an offensive attack.

Dearborn broke the scoreless streak with three runs in the top of the 12th. Bentley came up with only two in the last of the inning to slip to a 4-7 league record and 6-9 overall showing.

Vezina went the full 12 innings for Bentley, suffering his third setback in five decisions. The Bulldog junior gave up seven hits, walked seven and struck out 20 Dearborn batsmen.

Gorgeau was relieved by Dave Kopal who chucked up the win. They allowed Bentley just four hits.

Dearborn second baseman Mark Paulausky opened the top of the 12th with a walk. Bob Knopp was safe on a sacrifice that was booted with Paulausky moving to second.

Keith Begin then popped out to third for the first out. Dusty Krasoe singled up the
