Along the Creek in Woodcreek

The newest Woodcreek of all is
little Miss Laurel Grace Lang,
of 27866 Old Colony Road, who
was born November 21 at four
p.m. and weighed seven pounds
two ounces. She and her mother
"Ginny" are reported fine.

Woodcreekers are happy to wel-
come as new neighbors Mr. and
Mrs. John Coyle of 29140 Mill-
brook Road. Coming from De-
troit, Mr. Coyle works for Dodge,
and has two married children,
John J. Coyle and Emma Fitz-
gibbon (Mrs. J. G.). His grand-
children include Tommy and John
Coyle Jr., aged ten and five; and
Michael Ricker, Sarah and Tim
Fitzgibbon, aged ten, eight,
six and three, respectively.
The Coyles were surprised with
a visit from eight friends from To-
ledo, Ohio, November 14, and with
a party given by twelve friends in
honor of their wedding anniver-
sary last Sunday.

The Weichtmans, Bill, Helen
and Judy, are finally settled in
their new home at 26887 Mill-
brook Road. Mrs. Carl Abend and
her son, James, a tenth grader at
Farmington High School, are now
settled in their new home at 28491
Wellington, which they purchased
from the Weichtmans.

The Abends, who lived on Well-
ington not too long ago, spent
some time in Florida, but became
too homesick for Woodcreek, and
we are happy to have them back.

Woodcreekers are sorry to lose
as neighbors the W. C. Coopers
of Westbrook. Congratulations are
in order, however, for Mr.
Cooper received a nice promotion,
and will be working for Sherman
Williams in Chicago. The new
home will be in South Bend, In-
diana.

The Conrad Lams of Westbrook
had as a very interesting house
guest November 12 and 13, Dr.
Henry N. Harkins, professor of
surgery at the University of Wash-
ington in Seattle. Dr. Harkins
was here to attend a reunion meet-
ing at Ford Hospital.

Dr. Lam and Dr. Harkins flew
to Atlantic City, New Jersey, Sun-
day evening, November 14, to at-
tend an annual meeting at the
American College of Surgeons.
Conrad, who is primarily known
for his work as a heart surgeon,
proved his versatility by giving a

Senior Play To Be Staged December 2

"Mother is a Freshman!" And
she has more than the usual num-
ber of problems that freshmen
have in this well known produc-
tion being presented by the Sen-
ior class of Clarenceville High
School.
The play will be presented at 8
p.m. Thursday, December 2, in
the Clarenceville High School gym-
nasium. The part of Mother, play-
ed in the movie by Loretta Young,
will be done by Judy Gardner.
The young zoology professor who
distracts Mother from her studies
will be portrayed by Richard Ge-
dette, whom many will remember
for his fine performance in last
year's Junior class production.
The Dean of Reinter College,
who complicates the lives of moth-
er and the professor, is played by
Fred Gault. Susan, the daughter,
who thinks Mother is taking the
professor away from her, is ap-
ported by Nancy Moore. The
others in the cast, who play the
sometimes hard-working but most-
ly fun-loving students, include
Bonnie Jacob, Maureen Daly,
Karen Russell, Sharon Moreland,
Margaret Petrich, Carol Pomroy,
Judy Wing, Bob Gross, Duane Roy,
Jerry Rogers and Glen Reed.

Scatterpins Boast Record Of 5 Wins, 1 Loss

ing the league with five wins and
one loss. Close behind them are
the Sophomore Pinbusters and
Pin Tumblers, each with four wins
and two losses.
There is also a tie for third
place between the Seniors and the
Bowlettes with two wins and
four losses. The Dropits have won
one game and lost five.

Magazine Sales Go Over The Top

The movie "Mr. Smith Goes to
Washington" starring James
Stewart and Jean Arthur, was
presented Thursday, November 18,
by the Curtis Publishing Company.
Admission to the film was one or
more subscriptions sold per stu-
dent. This added bit of inducement
for the Clarenceville High School
magazine sales campaign caused a
rapid acceleration in the maga-
zine sales campaign.
The school has reached a total,
to date, of \$3,603.25. The total
set by the Student Council was
\$3,000. Money earned will go into
a fund for a football scoreboard.
Each first hour class was given
a certain percentage to reach be-
fore the end of the sales cam-
paign. The classes surpassing their
goals are: Geography 7A,
250%; Physical Education 7
(girls), 167%; Math 5D, 163%;
Math 7C, 120%; and English 3
and 4, 104%. The high salesmen
for the period to date are Cliff
Simons and Gay Campbell.
