

Garden Club Plans Presidents' Tea

The annual President's Tea of the Farmington Garden Club will be held Monday, December 6, at the home of Mrs. Walter Gardner, 26850 Halsted Road, starting at 1:00 p.m.

Mrs. Howard Richards, Garden Club president, will welcome former presidents of the organization, who will be honored guests.

The annual meeting, with reports and the election of new officers, will revolve a program of Christmas music and readings. A choral group under direction of Mrs. K. B. Willoughby will entertain. Songs will be sung by Mrs. Ray Elchler, Mrs. Walter Humphreys and Mrs. Paul Schreiber. Mrs. Gordon Walper will give a Christmas reading.

Assisting Mrs. Gardner as hostess will be a committee composed of Mrs. Robert Crooks, Mrs. John Grant, Mrs. Vincent Kierchner, Mrs. James Raymo and Mrs. James Cunningham.

LEGAL NOTICE

PROPOSED ORDINANCE TO AMEND ORDINANCE NO. 10, KNOWN AS THE FIRE PREVENTION ORDINANCE, OF THE CITY OF FARMINGTON, MINN.

That section 19 of Ordinance No. 10, hereby established by the Fire Prevention Ordinance, be and the same is hereby amended by adding to said section 19 thereof the following paragraphs:

1. There is hereby created within the City of Farmington a FIRE ZONE, hereby established to include all that territory, land and property lying within the following boundaries, to-wit:

Commencing at the intersection of the North line of Grand River Avenue as extended and the South line of Oakland Avenue; thence East on the North line of Oakland Avenue to the North line of Farmington Road; thence South on the East line of Farmington Road to the East line of Thomas Street; thence Southeast on the North line of Thomas Street as extended to the East line of Warner Street; thence South on the East line of Warner Street to the North line of Grand River Avenue; thence Southeast on the North line of Grand River Avenue to the East line of Grove Street; thence South on the East line of Grove Street to the South line of Grove Street; thence West along the South line of Orchard Street to the West line of Farmington Road; thence South along the West line of Farmington Road to the South line of State Street; thence West on the South line of State Street to the East line of Liberty Street; thence in a Northerly direction to the place of beginning, and including therein the streets and alleys adjacent thereto.

2. No person, firm or corporation shall, after the effective date hereof, kindle, light, build or burn any fire or permit or suffer any fire to be started, take place or continue within the Fire Zone of the City for the purpose of burning any material of any kind unless the same is placed in a stove, furnace or incinerator located within the enclosure of some building, or located in some separate structure and apart from any building, PROVIDED, HOWEVER, as follows:

(1) That material not capable of and/or not suitable for burning in stoves or furnaces and material likely to emit noxious odors and/or noxious smoke shall be burned in some separate structure or incinerator to be approved as herein after provided.

(2) That prior to installation or construction of any separate structure or incinerator, other than stoves or furnaces, for the burning of material of any kind, the location, type and construction thereof shall have been previously approved by the Chief of the Fire Department and the City Manager.

(3) No outside incinerator or separate structure for the burning of material shall be located within a distance of 15 feet from any part of any other building or within 15 feet of any other combustible material.

This Ordinance was introduced at a regular meeting of the Council for the City of Farmington, November 22, 1954, and will be taken up for final consideration at its next regular meeting on December 29, 1954.

Dec. 2, 1954

Generation of electricity by coal in Illinois steam plants rose 3 per cent in 1953 over 1952. The 45 plants consumer 83 1/2 coal last year, 78 1/2 in 1952.

The Michigan Mirror

By GENE ALLEGMAN

dors are permitted only a restricted amount to distribute each year.

Martha asked one embarrassing question, however: How many of the "samples" are going to politicians?

LATEST ATTEMPTS to relieve the overcrowding in Michigan prisons came when the corrections commission decided to take over the abandoned tuberculosis hospital at Filerent, near Kalamazoo.

The hospital, when fitted out like a prison, will house another 100 inmates - joining a long list of make-do installations that have been built or remodeled in the past year.

Corrections Director Gus Harrison, with commission approval, has rebuilt and expanded one prison work camp, built six more cottages for youthful offenders at Cassidy Lake Training School, a new 100-man barracks at Jackson State Prison, started work on a 150-man dormitory at Ionia State Prison. Harrison's plan, to keep the prisons from overflowing, he has juggled inmates from here to there, taking advantage of every possible cell.

Looking Ahead

By DR. GEORGE S. HENSON
(Continued from Page 2A)

billion deficit (in the last Treasury year)," Mr. Polson said. "A very rapid drop in expenditures, without tax reduction would have caused too great a dislocation in the economy which was artificially supported by very heavy Government spending. We cut Government expense and began to trim down the budget deficit then we put more dollars in the hands of the public by cutting taxes. Reduction began to taper off, the dislocations of production and employment were cushioned, and we are beginning now to see a stable and healthy economic situation."

"Tax reductions this year totaled \$7.4 billion, the greatest dollar reduction in any one year in this country's history. At the same time the size of the deficit has been greatly reduced. With the nation's economy healthy, and standing more and more on its own feet we certainly are looking to our goal of a balanced budget, and are continuing to work for it. We look forward to a growing national income, which will improve general welfare for everyone, the Government included."

Fishing Licenses, Law Digests Available Soon

One and a half million fishing licenses and an equal number of fish law digests for 1955 are being distributed by the conservation department to 1,600 dealers throughout the state. They will be available December 1.

The license fee for residents remains the same as last year - \$1.50. When will again be permitted to fish without charge and no license will be required for those under 17 years of age.

The 15-day and annual non-resident fishing license fees are increased from \$2 and \$3 to \$3 and \$4, respectively. A trout stamp will again cost \$1.

C. H. S. Senior Play Set For Tonight

"Lights out - Curtain going up!"

The curtain has just risen and the first act of the Senior play, "Mother is a Freshman," has begun. I am taken back by the magnificence of the scenery and players. I'd better open my program and see who's who. I see Judy Gardner as Abigail Fortitude Abbott, the mother who is a freshman at Pointe College. Nancy Moore as the daughter of Abby, who does not exactly relish the idea of her mother cutting in on her college life. Richard Godette portrays Professor Michael, a good looking zoology professor at Pointe. Fred Dean Gilliam, I see that Karle Russell, Sharon Moreland, Karen Jacobs, Margaret Pelsch, and Maureen Bulger portray six average coeds, who not only play but who also do a very wonderful job of bringing to the audience a touch of college life. Bob Gross, Jerry Ross and Duane Hoy support the six girls, not only in amusement but as three harem-scram young fellows who enjoy life to its fullest extent. Judy King is the house mother. Mr. Douglas Estland is the director.

Oh, my, this certainly is exciting and aren't those costumes superb! Well, that's the end of a drink of water before the curtain goes up again. Excuse me, please excuse me - now to settle down and see Act II. Goodness, this act is more exciting and fascinating than the previous one. I certainly wouldn't have missed this play for anything! The Senior class really has magnificent acting ability.

Act III will be coming up in a minute. I guess I'll just stay here and avoid the crowd and wait a crowd it is! I bet there couldn't be more people at a Hollywood Premier! Simply everybody is here. The lights are dimming again and the third act is under way.

Now the last line is being said and if you listen real close you can hear Professor Michael saying, "There's no need to, you already know," and the curtain falls and the most intriguing bit of entertainment I have ever witnessed comes to an end.

I'll remember December 2 for a long time and I hope you will, too.

PLANS COMPLETED FOR JUNIOR J-HOP SATURDAY, DEC. 4

At last it's coming, the best dance of the year (in the Juniors' opinion). The "Winter Fantasy," presented by the Juniors, will be held December 4 from 8:00 to 12:00 a.m.

Participating in the music department will be Tommy Vann and his real smooth five. The theme, as you may well imagine, is "A Winter Wonderland," a fantastic illusion in which the Juniors will please get your tickets in advance from any junior. This is one dance you won't want to miss. So don't forget December 4, the J-hop, presented by the Juniors.

Tenth Graders Form Book Clubs

Mr. Vafeas's first and second hour tenth grade English classes voted this week to form their own book club by joining the Teen Age Book Club by joining the Teen Age Book Club.

During a brief meeting at class time the first hour class elected Donald Melton as secretary while the second hour class elected Margaret Estep as its secretary. They will be in charge of the operation of the TAB Club this school year and will order books selected and manage other club activities.

Describing the Teen Age Book Club to the class, Mr. Vafeas, teacher-sponsor of the club, explained that it is a unique plan which enables students to buy each month a wide range of good paper bound books of appeal to teenagers. This year the Teen Age Book Club will offer its members a choice of more than 150 different selections at 25c and 50c each. Last year more than 2,400,000 books were distributed to students through TAB Clubs.

"One very attractive feature of the TAB Club is that for every four books a member buys, he earns one free book as a dividend selection at the end of the semester," Mr. Vafeas explained.

Adding a little humor to their club, the first hour class decided to call its club "Bookies" and the second hour class selected "Bookworms" for its title.

WEST POINT PARK NEWS

MISS L. A. AULT
Phone 1416-M

One of the most delightful of recent Sunshine Sister get-togethers was the 1:00 p.m. luncheon meeting held at the home of Mrs. George Welsh on Mayfield Avenue last Wednesday in celebration of the Thanksgiving season. It has become an annual affair. A dozen were present. After the pot luck meal, there was a devotional service. Later, tentative plans were made for Christmas activities.

The next Sunshine meeting will be held on Wednesday, December 8. Time and place are yet to be announced.

Mr. and Mrs. Edwin L. Johnson and their four children of Clarissa Avenue, Mr. and Mrs. Forrest Ault and their three children of Hubbard Avenue, and Mr. and Mrs. Emerson Ault of Mayfield Avenue were in attendance Saturday, November 20 at a pleasant family get-together at the home of Mr. and Mrs. Thomas Roberts in Monroe.

A "brush party" at the home of Mrs. Robert Lang, Tuesday evening, November 23, proved pleasant and profitable to a friendly group of women neighbors. Ice cream and cake were served.

Roger Barnes, of the U. S. Army, arrived from Texas Monday, November 22, for a fourteen-day leave with his parents, Mr. and Mrs. Velva Barnes on Farmington Road.

Okays Purchase Of County Fishing Site

The conservation commission approved purchase of fishing sites on Maceady Lake in Oakland County and Mary Lake in Iron County recently. They also authorized purchase of 352 acres of lands under the Pittman - Robertson program and approved purchase of 85 acres of hunting land in Houghton Lake and Ausable state forests.

Timber sales totaling about \$20,000 in six state forests were approved and the value on state land memorials was amended.
