Remember when you used to share things with your Dad? The times you worked on special projects side by side, quietly enjoying each other with few words spoken ... or the times you had some long serious talks about the future.

Somehow Dad was always there, lending his strength, helping you grow. Maybe you're grown up now and your Dad has more white hair than he used to. Maybe you're looking for a neat gift idea to show him that you haven't forgotten the days when you were younger and his hair was darker.

FOCUS: Suburbia "Hats off to Dad" will salute Dad on June 9. It will give you some good

ideas for gifts that will help you say "Thanks for being my Dad!"
