OUR PHONE RANG--

A voice sez — "Who yun gettin' yer stamps from these days?" Now we bin gettin' em from the same place fer nigh onto 10 years — and Lil's Infant Shop has been gettin' em from the same place fer-about 7 years so we figger this guy's got rocks in his head. We aint too sure but what we're right! It was Brad over at the drug store wantin' to join us in giving away these gold stamps. Now won't it be fun to git a gold stamp when yuh buy a plaster fer yer corn? If we had corn on sale this week we could slip into our grocery ad pretty slick but as it is we got lots of fish — so here you are. There's fresh frozen Blue Water perch fillets fer 39c a lb. Then some cottage cheese and pear salad — huh? We said that cause we've got some Bartiett pear halves in a 303 can fer 29c. Then if you gotta have tuna fer lunches why doncha git some chunk pack Breast O Chicken when it's marked down to 35c a can? Course you'll need butter so it'll be Vlasic fer 59c a lb. Then there's maybe some spare ribs fer 45c a lb. Dare we mention Aunt Janes kraut in a quant afre 19c?. Fer Sunday beef roast again fer 49c a lb. or shall it be a fresh dressed chicken? We got frying chickens fer 55c a lb. or stewin' chickens fer 49c a lb. Don't you think yer family would like some chicken and dumplings? Something else too — if you're needin' dishes you should stop around and see the pretty ones we got for 99c a place setting when you buy \$5.00 worth of groceries. The price is right don't you think?
