# ANYODY HOME??

Are you jest a sittin' and a rockin'? Enjoy yerself cause it won't be long till spring housecleaning time then you'll find you have some little ole muscles that haven't been used all winter but old winter is almost past. Seems like about this time of year a person gits hungry fer certain stuff. We're guessin' it's fruit cause the last 2 weeks we've had some in the ad and sure sold a lot so here's some more this week. There's a 21/2 can of freestone peaches fer 29c. Then there's some No. 2 size cans of Dole pineapple either sliced or crushed fer 29c a can. That takes care of the fruit, now fer the fish. Fer tuna how about Defiance chunk pack light meat fer 29c a can or some of that Bonita flake pack that's somethin' like tuna at 5 cans fer 99c. If yuh want fryin' fish there's Blue Water perch fillets fer 35c a lb. Dunno what has happened but yuh sure can spend a lot of time savin' money at the dairy case cause there's strictly fresh eggs fer 59c a dozen and Vlasic butter fer 59c a lb. More yet — too! You can git a 2 lb. loaf of Land O' Lakes cheese fer 79c and ½ gallon of Twin Pines milk fer 35c. Course if you'd rather have evaporated Pet milk we got that 4 cans fer 49c. Fer meat this week end seems like the same rigamorole — like U.S. Choice round or sirloin steak fer 89e a lb. and U. S. Choice beef pot roasts fer 49c a lb. Then our ground beef at 3 lbs. fer a \$1,00 and some cube steaks fer 89c a lb. If you don't see whatcha want — ask fer it — will yuh?
