and many other

HELPFUL BANKING SERVICES FOR EVERYBODY

You are cordially invited to attend an
"Open House" at the newest and most modern neighborhood bank in this area—the Grand River-Eight Mile Office of the National Bank of Detroit. The event marks the formal opening and will be held Thursday, March 24 from 10 AM to 3 PM and Friday, March 25 from 10 AM to 6 PM.

The new office is the latest in bank design and has the most modern facilities. For your convenience, they include a safe deposit vault, night depository, and Drive-In Banking. Complete banking services are also provided—checking and savings accounts, loans of all types including Instalogs and mortgage loans, trust services, foreign exchange, government securities, and many others.

The new, completely modern Safe Deposit Vault was built to meet the steadily increasing demand in this area for safe deposit boxes. Now, you can keep your important documents, valuables, and other treasured possessions fully protected. If you do not already have a safe deposit box, we suggest that you make immediate arrangements for the rental of one.

Drive-In Banking is the latest in bank customer service. Without leaving your automobile you can quickly take care of many routine banking transactions—a great time-saver when you are in a hurry. For your further convenience there is a large parking area right "next door."

Thank you most sincerely for your confidence and good will. Our appreciation will always be expressed in ever more helpful services to you, including prompt service even during our busiest banking hours.

It will be a pleasure to welcome you at "Open House"—and to serve all your banking needs "neighborhood style."
