Your Friends and Neighbors Along the Creek in Woodcreek

Art Thurston was home the other day from Arizona. He and Jo have been spending several weeks near Phoenix. Art flew back on business and picked up the two grandchildren, Lidia and Katie, and then flew back with them for a little more vacation.

The Woodcreek Club met at Fred Nissals on Thursday night, March 17, with the Walter Smiths, the Norwalks, the Weightmans, the Harry Langs, the Greenmays, and Bill Paschenberg present.

We understand that "Ginny" Lang was the shining success of the evening. Muddy roads in the community have created quite a bit of trouble for some of our neighbors and some of our visitors.

The Weckon baby and mother are doing excellently. Was to be discharged, Pam, on a visit. "If Mother hadn't produced a boy, Daddy would have gone right through the roof," Ralph Scott Weckon and Laurel Lang are two of the newest arrivals to Woodcreek, and really lovely babies - good old Woodcreek air! Laurel is now three months old.

The neighbors are so happy to see Chuck Dynda around and playing outside again, and they are especially happy to hear that an excellent test on Jerry is the best the Dyndas have received in a long time.

Ruth Eynon and Denny are on their way to Florida. Ruth has been holding the Cub Scout meetings this month so this week's meeting has been called off.

The boys have been working on a word and shield project - always goes all mother's Reynolds Wrap! Many of the boys have achieved awards and electives and a number of them can hardly wait for the next Pack meeting.
