## SPORTS

The Farmington Enterprise

**FALCON HURLERS** Lewis McClellan, left, and Jerry Rice, right, lousen up some stiff arm joints while their teammates run through batting and fielding drills. All efforts are being made by Coach Warren Pette to get his charges in tip-top shape before the season's league opener against Berkley on April 26. Warning weather last week permitted the Falcon nine to move outdoors for some real baseball drilling.

### Pin Crackers Take First In Boys' Bowling At FHS

As the '54-'55 bowling season came to a close the following teams placed in this order: Pin Crackers, Maple Mashers, Kick Pins, Hawks, Pin Pushers, and the Alley Cpts.

High games for the week were Howe's 204 and 189, and Menke's 182.

The Pin Pushers with 2184 took high three game series. The King Pins were next with 2026, followed by Maple Mashers with 2003.

High series were taken by Roberts, 521; Howe, 515; and Green, 494.

High team single game was taken by the Pin Pushers with 764.

### Falcon Nine Now Training Outside

Baseball practice moved outdoors last week because of the good weather.

Pitchers and catchers warmed up with winter arms and all candidates had a turn at batting practice.

The boys trying out for pitching are: Jerry Rice, letterman, Ed Bonnell, letterman, Louie McClellan, Roy Temple, and Curt Love. Three or four will stick with the varsity team.

Catching candidates are Jack O'Shan, letterman, Jerry Flick, Gene Curcio, and Jim Hanson.

The infield will probably consist of lettermen Bud Jones, John Pawcett and Dave Harrison. Newcomers who have a good chance of breaking into the lineup in the infield are Jim Saries and Steve Phillips.

The outfield will most likely be made up of three returning lettermen: Craig Rockefeller, Don Robinson and Jim Garner.

The first game of the season will be with Berkley, here, April 26.

### WIN GIRLS' BOWLING TITLE WITH EASE, END PLAY MARCH 31

The Polecats, who took the lead in the beginning of the year and have retained it all through the season, ended up in first place as girls' bowling came to a close on March 31.

Wanda Menke and Joan Puckett ended with a 127 tie for high average in the league.

Joan Puckett bowled 443 and 181 to take high series and high game, respectively, and 150 to take third place in high game.

Judy Hoofnagle had a 397 to place second in the high series, while Mary Lee Bryan bowled 383 for third place.

Second place in high games went to Alice Langford.

Final standings are as follows:

Team	Won	Lost
Polecats	63	33
Kazootie Kids	56 1/2	49 1/2
Tutterdeus	50	46
Alley Cats	48	45
Whit Baggis	36	60
Oop Shoppa	33 1/2	67 1/2

The banquet will be held on April 19.

### Trojans Lead Livonia League

Double elimination tournaments are now being conducted in the Livonia Recreation Basketball League at Clarenceville and Bentley High Schools. Trophies will be awarded after the tournament.

The recreation league, which was organized after the first of the year, conducted a full program of contests with each of the eight teams entered playing each opposing team twice. The final standings in regular season play were as follows:

Team	Won	Lost
Trojans	12	2
Nancy Jo	9	6
Antlers	8	5
Tarrison	8	5
Jons	7	7
IV's	5	9
Trotters	4	8
Roadside	1	13

Teams from the Clarenceville area are the Trojans, Panthers, and the Trotters. The Trojans is the only sponsored team.

The Livonia Recreation winter program will close on Saturday, April 5, with the exception of a few classes.

Owned mostly by businessmen and organizations, there are some 80,000 private airplanes in the United States.

### Senior - Junior Games Aid Athletic Fund

The Senior men were edged out by the Junior boys March 25 in a close, hard-fought, sportsmanlike edge thriller, 40 - 45.

The Senior women downed the Junior girls 15 - 21, showing the same good sportsmanship qualities as the boys.

The profits went to the Athletic Association.

### Fish Rearing Experiments To Start Soon In State

Pike, walleye and musky rearing experiments for 1955 will get under way in Michigan soon.

Conservation department workers will test various spawn-collection and rearing methods at Wolf Lake and Drayton Plains hatcheries. Information gained last year will help organize the complex fish experiments.

Wisconsin conservation workers will assist in the musky rearing work.

The Navy battleships, which are given the arbitrary designation BB, are built to defeat the most powerful vessels that an enemy can put to sea.
