# Ford <u>sells</u> more because it's worth more

In 1954, more Fords were bought by the motoring public than any other make. That's because more and more people are discovering that Ford has more to offer!

FOR YEARS, Ford has been the trend-setter in all the features that make a car worth more ... V-8 power ... Ball-Joint ride . . . modern styling. And today, Ford brings you even more good sound reasons to buy.

First, Ford offers the reassuring response of new Trigger-Torque power in your choice of 2 mighty V-8 engines or the industry's most modern Six.

Next, Ford for '55 brings you a new, and smoother, Angle-Poised Ride, made possible by Ford's advanced new Ball-loint Front Suspension system. It makes even the smooth roads seem smoother.

And finally, in just plain good looks, Ford's farther out front than ever. With brand-new styling inspired by the long, low lines of the fabulous Thunderbird, Ford is America's most beautiful buyl
