Neighborhood Sunshine Sisters held their Easter meeting in the Neighborhood Church last Wednesday afternoon. Most interesting contributions to the program were given by Mrs. Cecil Willet and Mrs. O. R. Ault.

Ladies were reminded to send Easter greeting cards to Northville State Hospital patients, a list of whom had been given to the Sunshine Sisters. Several patients and minor matters were taken care of. During the refreshment period one woman after another described the smart dressings or doings of favorite children. Mrs. Arthur Mui's story was the most mind-provoking.

A dime was placed in a delicious cake provided by Neitha Ault for the occasion. Neitha Mui discovered the dime in the slice served her. Therefore, she will provide cake, with a hidden dime, for the next Sunday get-together. The cake, which will be held in the Neighborhood Church on Wednesday, April 13, at 2 p.m.

At her home on Hubbard Avenue Tuesday evening, March 23, young folks of the neighborhood tendered a birthday celebration to Miss Karen Naravague. There were the usual forms of entertainment and appetizing refreshments. The honored lady received beautiful gifts.

At the Eckman home on Farmington Road last Thursday, a lovely farewell luncheon was tendered Mrs. Velva Barnes, who is soon to move to Indiana where her husband is employed. About ten ladies were present. Mrs. Barnes received a number of gifts from her friends.

In recognition of his third birthday, Forrest Ault, 11, son of Mr. and Mrs. Forrest Ault of Hubbard Avenue, was receiving congratulations from his family, relatives, neighbors and friends on Saturday, April 2. A birthday cake was greatly enjoyed and the young man received many cards and gifts.

Monday evening, March 23, dinner guests of Mr. and Mrs. Russell Ault of Shady Side Avenue were Mrs. George Cooke, Richard Kathleen and Helen Cooke, and Mr. Wallace Seger, all of Farmington.

Mr. and Mrs. Charles A. Anderson of Mayfield Avenue attended the grandest wedding in Holland, Michigan, Saturday evening, April 2.

The Bruggman's of Novi were visiting with Mrs. Bruggman's mother, Mrs. Grace Simpson, on Mayfield Avenue last Sunday.

Mrs. Dwight Attabury, of Phoenix, Arizona, has arrived to spend several weeks with her parents, Mr. and Mrs. Vett Pursen, on Farmington Road.

Mrs. George Throne of Brentwood Avenue left Thursday evening, to spend another week with her husband in Fort, Ky., Kentucky. Private Throne expects to be transferred to a more distant camp soon.

Their two grandsons from Detroit recently spent a few days with Mr. and Mrs. Willard Dickson on Hubbard Avenue.

Freda Ault of Norfolk Avenue was visiting with Mrs. R. J. Kline in Detroit Thursday.

Mr. and Mrs. Leslie Boyd have moved from Hubbard Avenue to East Detroit, where Mr. Boyd is employed. They expect, after a time, to return to their home.

Miss Shirley Grundy, a student at the University of Michigan, has arrived home to spend the Easter vacation with her parents, Mr. and Mrs. Leslie Grundy of Hubbard Avenue.

The Austin Aults of Brentwood Avenue spent last Sunday at the Road from South Lyon.

**Youth Kills Bobcat With Bow, Arrow**

Larry Evans, 15, of 25860 Lahser Road, was a proud young lad this week. He bagged a 30-pound bobcat with a bow and arrow near Onaway, Michigan, last week and while hunting with four fellow Explorer Scouts.

The young Explorers were taken on the hunting excursion by Dr. Len L. Perrin of 24000 Inkster Road, armed only with bows and arrows. The cat was spotted by Larry about 25 feet up in a tree. He aimed and hit with his first shot.

Following the kill, Larry commented, "I got it with my clean arrow, too; not my good one."

Larry is a sophomore at Southfield High School and the son of Mr. and Mrs. Joe H. Evans.

**Big news about Buick's 4-Door Riviera**

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 230-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflow—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped make Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

\*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.
