**FRANKLIN CHURCH GROUP TO ATTEND WEEK END RETREAT**

More than twenty high school youths and five adults from the Franklin Community Church will spend this week end in a planning retreat near Lapeer, according to Mr. Harold Dilweg, counselor of the Senior Youth Fellowship. This is the second year in which this activity has been a part of the youth program, and has come at the direct request of the youth who took part in it last year.

Included in the activities are planning for the ensuing year, recreation, discussion and worship. To attend the young people must have been active in the Fellowship activities this past year. Money to cover costs has come partly from a recent "love sale" at which time members sold their services at car washing, baby sitting and other tasks with money received going to the group.

Assisting Mr. Dilweg will be Mr. and Mrs. Robert Yingling, Mr. Donald Tracy and the Rev. Robert J. Searls. The group will be in the camp from Friday evening until Sunday afternoon.

Correction: The Eldon Collier's baby girl has been named Linda Elaine. The boys are Mark and Gary.
