

MALE BAGS MAKE FASHION ENTRANCE

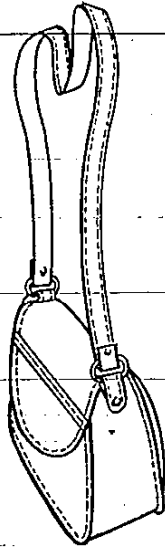

The male bag, designed to get rid of the lumps in a man's body-tailored clothes as well as to relieve lady companions of carrying his cigarettes, lighter, keys, sunglasses in their purses, is a choice gift for the father in your life.

European men, who have carried male bags for some time, have found that there is no longer any need to stuff jackets. Bags in natural tones of leather, suede and canvas are an easier way.

Bags come in shoulder, wrist and belt models, each styled to carry the pocket paraphernalia a man requires for specific activities and occasions.

Perhaps the man you have in mind would use a bag exclusively at the poolside or for spectator events. Another might prefer a small belt bag for active sporting. Who knows, he might decide it is a necessary accessory for everyday living and carry that shoulder bag everywhere he goes!

Then you can leave your own purse at home and put your comb, make-up and handkerchief in his bag!

THE GUTSY NEW shoulder strap bag for men.
