## Hit 'Kiss Me Kate' To Open August 2

"Kiss Me Kate," the seventh in a series of hit plays being produced by an all-star cast at the Melody Circus Theatre, Botsford Inn, will open Tuesday evening, August 2, and continue through Sunday.

The play is based on a book by Samuel and Bella Spewack with music and lyrics by Cole Porter. The rollicking, robust musical, will include such famous Cole Porter songs as "So In Love," "Always True To You in My Fashion," "Why Can't You Behave," "Too Darn Hot," and "Wunderbar."

## GOOD NUTRITION STRESSED FOR SUMMER MEALS

Summer meals should promote health and vitality as well as satisfy the appetite, Dr. Joseph G. Molner, Detroit Commissioner of Health, remarks. Even when the temperature is in the 90's, meals should be regular and a balanced diet provided.

It is not necessarily true that you need less food in the summertime, Dr. Molner says. Your food requirements depend on the amount of energy you use. If you follow the law, swim, play ball, tennis, you need food to produce the energy for these activities.

Plan to have vegetable, cheese, salad, fruits, bread, butter, and milk for lunch. Plentiful servings of well cooked meats, fish or fowl for dinner.

CHRISTIAN SCIENCE  
How spiritual understanding of God as divine Love assures man of wide guidance and unlimited inspiration will be brought out at the Christian Science services this Sunday.

The Lesson - Sermon entitled "Love" will include passages from the biblical account of the guidance the children of Israel received in their flight from Egypt. Correlative passages will be read from "Science and Health with Key to the Scriptures."

WOODBINE — SPRINGBROOK — FLORAL PARK

Mr. and Mrs. John Bedson of Springbrook Drive were visitors at the home of Mr. and Mrs. Sam Blackhurst on Meyers Road last Thursday evening. The Bedsons helped to celebrate the arrival of Mr. and Mrs. Joe Blackhurst from Leek, England. The couple plans to be here for about six months and will be present when Mr. and Mrs. Sam Blackhurst, their parents, celebrate their golden wedding anniversary.

Among those who celebrated birthdays this week were Artie Aldrich and his cousin, Vicky Aldrich. Artie, who was two years old, the son of Mr. and Mrs. Arthur Aldrich, Sr., and Vicky, who had five candles on her birthday cake, is the daughter of Mr. and Mrs. Fred Aldrich.

These are indeed busy days at the Haynes Street home of Mr. and Mrs. Archie Johnson. Following the celebration of their golden wedding anniversary last Sunday, which was attended by 70 friends and relatives, Mrs. Johnson entertained ten ladies of the Bethel Missionary Women's Society at a Thursday afternoon get-together. This Sunday was highlighted by honoring Mrs. Johnson on her 72nd birthday.

Mr. Robert Taylor was taken to the hospital on Friday for observation. We hope his stay will be a short one.

A joyous event took place for the Arnold Fischer family of

Springbrook Drive when a son was born on July 20. Terry Arnold weighed eight pounds on arrival at St. Carmel Hospital. Two little sisters are anxiously waiting to meet him this week.

Vacation time always calls for a trip to the Zoo and this week a number of Springbrook Drive residents were seen there.

Mr. and Mrs. David Misener took their youngsters the first part of the week and Mr. and Mrs. Alvin Nicholson and daughter, Karyn, and their two nieces, along with the Howard Legg family, enjoyed their visit Friday. They combined it with a picnic to make it a day's outing.

CHOOSING GOOD LEMONS  
When selecting lemons for that cool, refreshing drink, the best quality have a fine textured skin with a waxy appearance and they are heavy for their size. Most people desire lemons for their acid taste. Therefore, although deep yellow-colored lemons are more mature, have thinner skin and a larger proportion of juice than the light-yellow or greenish lemons, the lighter colored fruit are preferred because they are more acid. Beware of dry, shriveled, or hard-skinned lemons, for they contain little juice.

Although the first shipment of homegrown tomatoes are in the markets, some of them won't be as ripe as they should be. Specialists recommend sorting them when you get them home, and using the ripest ones first.

Smoked shoulder butt should be simmered in water until tender, about 45 minutes per pound. If you like, place it in a hot oven for a few minutes before serving.
