Tires To Go
A NEW CONCEPT FOR SAVING MONEY ON NEW TIRES.
Sounds crazy, doesn't it? But once you understand the savings involved, you'll want to buy all your tires this new way. From Tires To Go. No appointment necessary. No waiting in long lines. Simply cash, Mastercharge, or BankAmericard and carry! Over-the-counter and out-the-door.
HOW MUCH MONEY WILL YOU SAVE?
Plenty. But the actual amount depends upon the type tire you buy. Naturally, you'll save more on our radial tires than on our nylon cord tires.
WHAT TYPE OF TIRES DO WE HAVE?
All types. But only first-line and premium quality. So when you compare our prices, make sure you compare our quality, too. You know, apples to apples. We sell Lee nylon cord tires, polyester cord, polyester/fiberglass belted; a really tough new steel belted, and radial tires. Plus camper, van and pickup tires — belted and non-belted types.
HOW CAN WE SELL TIRES FOR LESS THAN ANYBODY ELSE?
We have no overhead to speak of. So making a wee little profit on a whole lot of tires is all we ask in life.

Oakland GOP Reveals Donors

BIRMINGHAM
Oakland County Republicans have released a list of donors for its June 11 fund-raising dinner in Southfield featuring Texas Sen. John Tower.
The Republican Committee of Oakland County, headquartered in Birmingham, reports the dinner netted \$9,642.80. Receipts totaled \$12,025 and expenses related to the dinner were \$2,382.20.
"It has always been our practice to have our financial records fully open and available," says Sheldon Smith, Oakland GOP chairman.
"But we are now taking this unusual action of making a public announcement because we believe it is vitally important that citizens of Oakland County continue to have full confidence in the integrity of our Oakland County Republican organization."
The Republicans also distributed a general accounting of dinner receipts and a detailed listing of all contributors.
Residents from Southfield and Farmington contributing \$100 or more were: B.M. Berman of Southfield, \$125; M.H. Dresner of Southfield, \$225; D.O. Bulade of Farmington, \$125; M.M. Rom of Southfield, \$100; R. Sosale of Farmington, \$125; G.L. Vandorne of Farmington, \$100; and F.P. Worack of Farmington, \$125.
Persons donating \$300 or more included: F.B. Audette of Bloomfield Hills, \$625; J.K. Campbell of Bloomfield Hills, \$300; J. Dent of Orchard Lake, \$300; L. Rose of Franklin, \$225; and the Young Republicans of Oakland County, \$300.
There were 115 individual donors contributing to the total receipts of \$12,025, or an average of less than \$110 per person.
Expenses included \$2,197 to the Raleigh House for catering the meal, \$450 to Griggs Graphics for printing, \$100 for postage, \$35 to Moss-Lipinski for flowers, and \$200 for Tower's travel expenses.
Of the total receipts, some \$1,875 were uncollected funds in the form of pledges.

Looking Ahead
Sustained yield in forestry means replanting with young trees after an area is harvested, to insure continued forest growth.
