A late dinner party was held February 4 at the Carlson home at 2337 Liberty Street for Mr. W. H. Harnett, of 23349 Liberty in honor of his birthday. Neighbors from Alta Loma and Liberty Street helped him celebrate the occasion. Twenty-one guests were present.

A card party was held Friday night at the Howard home at 34125 Moore Drive. Guests included Mr. and Mrs. Norm Mifflin and Mr. and Mrs. J. Williams, both of Moore Drive, and Jess Downs and his fiancée, Marilyn Green. Downs is Mr. Howard's brother.

Similar card parties are to be held every month. They were suggested by the Newcomers Club to help neighbors become better acquainted. If interested in joining the group, please call Mrs. Roberta Howard at GR. 4-2157.

A welcome is extended to Mr. and Mrs. Delos Hamlin, who recently moved into their new home on Cass Street. Mr. Hamlin is well known to Farmington residents as he has served as mayor for several years. The Hamlins recently became grandparents.

Tom McDonough of 34032 Moore Drive returned last week from Florida, where he was visiting his parents at Lake World. Tom is the brother of Rita McDonough of the same address.

Mr. and Mrs. Ed Meschhammer of 34032 Moore Drive entertained Lydia Bitter of Chicago this past week end. Miss Bitter is the fiancée of Tom McDonough.

Dr. Joseph Brady of 33949 Alta Loma returned recently from a vacation in Florida.

Have you reports from members of the water committee were received this week. Mrs. Norman Celenski stated that the circulating of petitions in her district was progressing rapidly. She expressed her appreciation to Russell Hacker and Loren Ellis for their work in the Orchard Subdivision and to Adam Klener for their work in the Paradise Grand River area. Hacker and Klener volunteered to assist Mrs. Celenski after completing their first petitions.

Mrs. Catherine Johnson reports that the Elm Grove Valley Subdivision is almost completed and that little opposition has been raised to the proposal. Her co-workers, Mrs. George Lipke and Mrs. Peterson, are still contacting residents in the Supervisor's Noble Brook No. 2 Subdivision. Mrs. Lillian Nielsen is covering Supervisor's Noble Brook No. 1.

Results of the figures tabulated from reports at a recent meeting of committee workers show that 1149 residents have been contacted, 1092 were eager to sign, and 144 refused, making a total of 89 percent. Since all the workers were not present and the work is continuing, these figures are not final.

Mr. Gadbury, committee chairman, urged all workers to complete their petitions by March 15.

Mr. and Mrs. Fred Aldrich of Orchard Lake Road announced the birth of their third child, a son, on February 7. Little Mark Leslie weighed seven pounds on arrival at the St. Joseph Hospital. Anxiously waiting to greet the infant were his brother, Mike, and his sister, Vickie.

Mrs. Aldrich was guest of honor at a surprise baby shower at the home of Mrs. Cyrena Aldrich on Ronswood February 7. The party was attended by a number of friends and relatives and was packed with suspense and excitement as well as gaiety.

Mr. and Mrs. Heinz Blome of 24407 Ponce in Woodbine Subdivision announced the birth of a son, Little Robert, weighed seven pounds eight ounces upon his arrival January 29.

On Friday, February 10, Jeffrey Celenski celebrated his tenth birthday. A family party was held at his home at 31181 Westhill Drive in his honor.

MORTGAGE BORROWERS

Be wary if the mortgage company tells you that you must buy insurance on your house from the company's insurance branch. You don't have to. The mortgage company can require you to carry insurance, but you are free to get it from an insurance company of your own choosing. Reason for the warning is that complaints against certain practices are on the increase.
