**NEVER DID WE SEE----**

So many pink noses as this Tuesday morning. It got a bit cool around the edges — didn't it? If it stays this way it'll be a good week end to do some bakin' and we got the stuff to bake. If it's a pie we have a 3 lb. can of Swiftin' for 69c. If it's a hurry-up cake maybe you could use 3 boxes of Swans Down Instant cake for 98c — yuh know — a pair and a spare. Then yuh could have somethin' baked with some dressin' — like some 39c a lb. spare ribs or some center cut pork chops for 49c a lb. Course we sortta like sauer kraut with either of these and you can get 2 No. 303 cans of Defiance kraut for 25c. Then there's U. S. choice beef roasts for 39c a lb. Buy a big one, then you can have some hash the next day. While that there oven is goin' how about tossin' in a smoked picnic ham when they cost just 29c a lb., then yuh can have some baked sweet potatoes, too. Fer so early in the morning I'm workin' up an awful appetite. Hope this all sounds as good to you as it does to me. Fer breakfast it's the old standby of bacon and eggs. Now there's Swifts or Kingans bacon for 39c a lb. and eggs for 55c a dozen. Then you'll need a butter fer yer toasts so this week it's Vlasic agin for 59c a lb. Are you eating a lot of cheese these days? Did you know that now we have Bond-Ost cheese — that good stuff with caraway in it? Guess that takes care of about everything and makes it "Fine and Dandy" and we'll see you at the Minstrel Show this Saturday nite, won't we??
