SENIOR CLASS VOTES TO ALTER JOHNSON A L AWARD PLAN

The members of the Senior Class voted in favor of changing the procedure of awarding the Keith Johnson and American Legion Awards at a class meeting held yesterday morning in the gym.

Under the new plan, if the same person who receives the most votes for the Keith Johnson Award should also receive the most votes for the American Legion Awards, then the person second highest in the American Legion voting will receive the A. L. Award.

The change will have to be approved by the Student Council because it will affect classes in the future.

The members of the class also voted to purchase yearbooks for the Seniors.

A committee was appointed by President Don Nichols to work on a budget.

The theme for the Prom will be decided by the decoration committee. Any ideas on a theme should be turned in to Mr. Clayton Graham or to any member of the decoration committee.

Orders and money for home cards and announcements will be taken in study halls today and tomorrow.

Letter To Editor

Dear Editors:

This letter is written to give an example of true patriotism to our school. On Thursday, February 16, the bus on Route 11 broke down for the fifth time this year.

Under the direction of Mr. Reuch, the Falmconaires sang: "O, Home Sweet Home," "Don't Blame Me," and "Comin' Through the Rye."

The Falmconaires are accompanied by Betty Potts.

Varsity Club Meets Feb. 22

Attendance at club meetings, dress of athletes, and training regulations were discussed at a meeting of the Varsity Club last Wednesday, February 22.

Mr. Humble began by explaining the purpose and objectives of the club. He also read from the constitution, stressing the sections on attendance.

Mr. Humble also mentioned the daily dress of athletes and stated that he thought it to be generally good.

After Mr. Durth spoke of the forthcoming basketball tournament, Mr. Hays explained the Varsity Club's duties at the tournament and called for volunteers to work at the refreshment stand during the games.

The next subject on the agenda was the training requirements of athletes. A committee of six was appointed to draft desirable training requirements for all athletes, and it is to submit its suggestions at the next meeting, to be held on March 2.

After a film entitled "White Magic" on skiing, the meeting was adjourned.

Editor-In-Chief Named For Literary Magazine

Nick Spicer, a senior, was chosen editor-in-chief of "Generation," Farmington Senior High's literary magazine, by a vote of the English V class last week.

Miss Carley, English V instructor, and the students decided to have one editor-in-chief instead of coeditors. Students were nominated for the job, and a secret ballot was cast by the pupils.

The class began "Generation" last week by asking all English teachers for contributions for the magazine.

"Generation" will be on sale in May.

WANTED! Laundress for 44¢ a week

A complete week's laundry is that cheap—the electric way. It's the bargain that the average family gets when they let electricity both wash and dry the laundry. Adding an electric clothes dryer to match your washer is one more step toward all-electric living—modern living. See the new electric clothes dryers at your dealer's or Detroit Edison.
