HERE'S GOOD NEWS! We can rent an R-S Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered.

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a REYNOLDS quality softener. Factory installation and factory service.

LOCAL TEACHER FORMER MISSIONARY IN BENGAL, INDIA

A faraway place... India! That is where Miss M. Elsie Barnard, one of Farmington Senior High School's typing and shorthand instructors, spent six years of her life as a missionary.

Miss Barnard spoke before the V. C. Y. Club recently concerning those six years.

After graduating from a seminary, she went to Midnapore, Bengal, India, under the American Baptist Women's Foreign Mission Board, where she worked among the women.

Miss Barnard planned on missionary work in India as her life's profession. However, after her first term, she was forced to retire due to ill health.

Her second choice of a profession was teaching school, as she is now doing.
