

Livonia Home, Garden Club To Meet March 14

The Livonia Home and Garden Club will meet at 8 p.m. Wednesday, March 14, at the Bentley High School.

Guest speaker will be Mr. Biebschmier, Wayne County Agricultural Agent, who will speak on the topic "Baking and Care of Lawns." Jack Spanish, president of the club, urges all interested persons to hear this talk before planting a new lawn or trying to improve an old one. Mrs. Rudolph Seedus, new member of the group, will present a talk on her recent travels in Inland, Lima, Peru.

Along The Creek In Woodcreek

BETTY MERESHAK

MA. 6-3135

Unmistakable signs of spring are cropping up all over Woodcreek. Doris Wells reported seeing the first pair of ducks back on the pond Saturday morning. Hyacinths, daffodils and crocuses are fearfully pushing up through patches of snow. Our creek, that almost disappears in August, is racing and roaring once more.

On the un-sentimental side, we have had our first taste of muddy roads. Homemakers are well started in spring cleaning, getting the indoor work out of the way early in order to be free for gardening as soon as the ground permits.

You only need one look at the red-gold tan that both Fred and Zella Missal are sporting to know that they have been to Florida. The Missals, who live on Valley Drive, returned Tuesday from a month's vacation.

They flew down on January 31 and had their car sent by the Catherine Rae Drive Away Service. They stayed at the new Farmington Hotel in Ft. Lauderdale, where they had a four room apartment. They divided their swimming time between the ocean and the beautiful hotel swimming pool. Fred played golf to his heart's content. They enjoyed meeting many of their Birmingham Country Club friends who were vacationing there at the same time. They also met some old friends from upper Michigan, New Jersey.

Each evening they explored a new eating place. They liked the Fontenay Inn and the Edson Park at Miami Beach. The weather, which had been rather cold earlier in the season, was ideal throughout the month of February. The Missals reported excellent driving conditions on the way back.

Robert Bieker, Jr. of Eastbrook Court, who is a student at Farmington High School, wrote a theme recently on "America — Beacon of Hope." Mr. Peel, his teacher, selected his paper as one of two from all the ninth graders to be entered in a contest sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars.

The village green on Wellington Road near Northwestern proved to be a village skating rink for one day last week when enterprising youngsters took advantage of the smooth icy surface. The children who participated were the Horstons, the Davenports, the Tippits, the Buchses, the Thompsons, and the Seays. Several of the mammas had as much fun as the kiddies.

The messes have been on a rampage and Woodcreek has not been exempt. The Davenports, Seays, and Lang children are over them. Craig Smith, Zella Reader and Mark Collier are over them, but Mark wasn't so lucky. He went right into the chicken pox. On Friday, making it necessary to postpone sister Shelly's birthday party, which had been planned for Saturday.

Andy Dwyda and son Chuckie, with Harry Lang and two of his youngsters, Terry and Linda, went up to Skiline Ski Resort Friday night and got in some pretty good skiing. They returned Saturday evening in time for dinner.

The Dornans of Wellington Road enjoyed the company of the Horstons of Woodcreek and the Smolens of Detroit last Saturday when they celebrated Bill Dorman's birthday with cocktails and dinner.

Angela Seay reports that she now has a co-leader, to help her with the new Intermediate Girl Scout Troop at Eagle School. Dorothy Rehner of Franklin Knolls is the welcome volunteer. Angie has been working alone since Jack Johnson moved away.

Jack Swift, Mary Jane O'Donnell, and Billy and Bobby Bieker attended the Saturday matinee of the Rock and Roll Dance Party last week at the Riviera in Detroit.

The Women's National Farm and Garden Club will hold its regular monthly meeting on March 12 in the Epiphany Community Church Hall. The meeting will begin with dessert at 12:30 p.m. All members are urged to be present as some vital business regarding the constitution will be taken up. The program will be a report on the Mackinac Conference by Mrs. William Johnson and Mrs. Harry R. Barr. They will show colored slides that were taken on the island, including the beautiful lilies.

Four Woodcreek Boy Scouts took top honors at the first aid competition in Milford recently. They were David Busch, Dick Lam, Marvin Tyssem and Carter Billue. They are members of Troop 28 under the leadership of Scoutmaster Duquet.

Cville Seniors Plan Second Paper Drive

The Senior Class of Clarenceville High School will conduct another newspaper and magazine collection drive this Saturday, March 10, for the purpose of raising funds to be added to the class treasury.

Pick-ups will be made at individual homes beginning at 10 a.m. Requests for home pick-ups may be made by calling GR. 4-1014 or KE. 4-1173.

Looking Ahead

By DR. GEORGE S. BENSON

been amazingly successful; working quietly they have now become a threatening political power. In Italy, the Communists are in such strategic positions (with nearly two million Party voters) they can probably take over when they choose to concentrate on that nation.

Dictator Tito in Communist Yugoslavia has made his peace with the Kremlin bosses. The Arab countries have opened themselves to heavy infiltration. Socialist Israel has heavy fled concentration in its dominating Left Wing parties. Objective observers who have been in India say the Communists are strong enough to sabotage any effort that nation might put up if invaded. England, with her vital strength weakened under Socialism, could be brought to her knees internally by Communist controlled labor unions.

When we go further and closely examine the inroads made by the Communists in Central and South America, and note the rising political voice of the Canadian Reds, we begin to get the whole shocking picture of Communist expansion. The fact then is apparent: If the Reds' rate of growth continues for another 10 years, America — and America alone — might possibly still be free. But it would be a tiny speck overshadowed by the most monstrous force in world history.

Next Week: Can Communism Be Stopped?

The best time to overcome a bad temper is before it gains control.

Bits Of News from Kendallwood

MRS. G. T. BIRD

GR. 4-3469

Because the recent meetings of Kendallwood women have grown to such size it is difficult for the meetings to be helpful to all. It was decided last week to divide future meetings into three groups. It was planned that each group should meet separately and new residents would be invited to attend one of the three groups as they arrive in Kendallwood.

The first of the group meetings will be held during the last week in March. The exact date will be announced later. After three successive monthly meetings, membership in each of the groups will be related and three new groups will be formed for later meetings to continue the informal "get-acquainted" program.

The second bridge club met on Wednesday, March 7, at the home of Mrs. Chester P. Sylvester 2800 Thorny Brae Road.

During the past week Mr. and Mrs. Allen Heyn renewed an acquaintance of 12 years ago. E. C. Barnard of Jackson, Michigan, an armed services friend of Mr. Heyn, visited at their home at 26037 Green Valley Road.
