To Meet March 12

The Ten Mile School Parent Teachers Association will meet at 8 p.m. Monday, March 12, in the kindergarten room of the school.

Continuing this year's program of giving parents an insight into the training provided for children at each of the grades at the school, the curriculum in grades four, five and six will be explained and discussed.

The nominating committee's selection of candidates for P. T. A. offices next year will also be announced. All parents are urged to attend this important meeting.

A report from the Ten Mile School dated this week that Merrylin Godin, clerk at the school, who has been ill for the past month, has not recovered sufficiently to return to her duties at the school. Her services have been greatly missed, school officials indicated.
