Guest speaker at a meeting of the Our Lady of Sorrows Altar Society on May 10 at 8 p.m. will be Mrs. John J. Shada, chairman of the Arch-Diocese Family Life. The meeting will be held at the parish hall.

Mrs. Shada is the mother of eight children. She was elected "Mother of the Year" two years ago.

YWCA ANNOUNCES GOLF, TENNIS CLASS STARTING DATES.

The Northwest YWCA is taking adult and teenage registrations for golf and tennis classes which are scheduled to begin the week of April 16. Golf classes will be held Tuesdays and Thursdays during the morning, afternoon and early evening and on Saturdays in the morning and afternoon. They will be held at the Sinclair Golf Center, Eight Mile and Lahser, and will be limited to ten people.

Individual instruction will be given in the grip, stance, swing and course etiquette. Men are welcome in any of the classes. The branch nursery will care for children 2 to 5 years on Tuesday afternoons, for mothers enrolled in golf classes, at the regular nursery fee.

Tennis will begin Saturday, April 21, under the direction of Mr. Norman Wann. All classes will be held at Stoepele Park, Evergreen and Outer Drive. Teenagers and adults may enroll.

The Saturday Recreation Program at Cody High School begins April 14 and includes a full program of swimming instruction for women and girls. Fencing, crafts and dancing are available to both boys and girls.

Some openings still remain in the following general education classes held at the Branch: Building flower arranging, sewing, china painting, bridge, trimmings, millinery and Spanish. Further information may be secured by calling the Branch at RE. 3-3899.

Along The Creek In Woodcreek
BETTY MERESHAK MA. 6-3135

The Woodcreek Women's Association held their regular monthly meeting last Tuesday at the home of Eleanor Preuss on Westmont Court. The ladies counted one hundred and fifty cancer pads.

The month of May starts a new year for the Association and a nominating committee also came prepared to present their selection of new officers. The following selection of officers was approved by the meeting at large: Zella Missal, president; Betty Mereshak, vice president; Beulah Kelly, recording secretary; June Bieker, treasurer; and Edythe Kennedy, corresponding secretary. New committees are now in the process of organization.

The nominating committee consisted of: Genevieve Fellrath, Edna Spillman, Alice Clark and Alleen Dornan, with June Bieker, chairman.

Edythe Kennedy and Dot Spillman prepared an ice cream cake roll for dessert.

Our outgoing president, Jo Thurston, expressed her appreciation to the ladies for the fine cooperation she received throughout the past year.

Mr. Joseph Bujak of Utley Lane, who spent almost a month in Beaumont Hospital, was returned to his home last Friday. Although somewhat better, Mr. Bujak is still partially paralyzed and will need to use a wheel chair to get around.

The Roy Nelsons of Wellington Road enjoyed a pleasant week end with their old friends, the Charles B. MacDonells, who came up from Evanston, Illinois, for a two day visit.

A welcome is extended to our new neighbors the Martins, Maynard and Betty, who moved into their new home at 2922 Utley Lane last week. They have two children, Roger Allen Martin age thirteen who attends the eighth grade at Farmington Junior High and Tina Marie who is two and a half. Mr. Martin who is in carpentry for himself, is a carpenter contractor. They formerly lived in Melvindale, Michigan.

Woodcreek was well represented last Friday at the Girl Scout Juliette Low Birthday party, held at Bond School. The girls who participated were Peggy Preuss, Carol Kreider, Margie Lam, Susan Bieker, Sarah Horton, Janet Wells and Denise Sey. The adults taking part were Angela Sey, leader of Troop 777, and Marion Lam, neighborhood chairman of the Bond District.

Alice Billiu of Utley Lane, entertained a group of old friends Saturday at a bridge luncheon, honoring Mrs. Leighton Knapp of Ann Arbor, Michigan, who was her week end guest.

The Square Dancers of this area will be on duty Monday.

OVER 25,000 BOYS SET FOR THREE DAY SCOUT EXPOSITION

The 1956 Scouting Exposition, scheduled for May 17, 18 and 19, at the State Fair Grounds, will involve over 25,000 boys in the 518 indoor booths, plus additional exhibits set up in the outdoors.

The Exposition is being presented to give members of the Detroit Area Council (more than 74,000 boys and leaders) opportunity to show their families and friends and other people of this area the many skills which Scouting offers.

Cub Scouts, Boy Scouts and Explorers represent more than 40 municipalities which make up the local Scout Council's chartered service territory, have reserved booth space to show these varied skills.

The exhibits cover many of the arts and crafts, recreational and educational activities which Scouting uses to develop better citizens and character-building ideals.

All of the ten districts of the local Council's area will be represented in one of the exhibits. The exhibit will cover such widely diverse activities as coin collecting, aviation, gardening, leathercraft, canoeing, gun safety, history of the flag, automobiles, and 30 other subjects. Animal life includes several collections of pets, also riding horses and pack burros from the D-B-Bar Ranch. Scouting's 1,400-acre camp at Metamora, Michigan. Participation of two of Windsor's finest Scouting groups will add a genuine international flavor to the affair.

Tickets for the Exposition are now on sale throughout the Council area.

EXTENSION GROUP TALKS ON CARPETS, MAKE WARD VISIT

The Farmington - Eight Mile Extension group met last week at the home of Mrs. C. Meyers on Fremont Road for a lesson on the topic "Carpet and Rug Values to the Family," presented by group leaders.

Mrs. Earl Marks and Mrs. F. VanCamp and their unnamed club made 20 corsages for the patients in the Extension Group's adopted ward at Northville State Hospital. Mrs. Joe Marks colored eggs and Mrs. Frank Platz baked a lamb cake. All decorated the table of Ward 4-B on Easter morning.

A regular visit to their ward was made by members of the group on Tuesday, April 10. Bean bags were tossed, conversation made and ice cream, cookies, coffee and tea served.

Edgewood PTA Hears Talk On Delinquency

Juvenile delinquency was the theme of a talk by Probate Court Judge Nathan J. Kaufman before the Edgewood PTA on Thursday evening April 5.

In his talk Judge Kaufman stated that good clean, honest, moral living would help eliminate juvenile delinquency. The moral problem, he stated, was the biggest problem and was the fault of the home. His solution for making a better youngster was having a family at together, live together and pray together.

A large attendance was present at the meeting including good representation from other Clarinetville School PTAs and Mothers Clubs. A social hour followed at the close of the program.

JOHN M. CLAPPISON

this question:

I often leave the day's "take" in my office safe overnight. I'd like to have insurance for the contents of the safe against burglary... but since the amounts are small, I don't want to pay a big premium. Is low cost "safe" insurance available?

On ANY insurance problem consult the FARMINGTON INSURANCE AGENCY, 23704 Farmington Rd., Phone Green-143311.

Ground Observer Corps members who will be on duty Monday, April 16, are Audie Dryer and Ruth Golla, 9 a.m. to 12 noon; Alleyne Kinney and Ellen Allen, 12 noon to 3 p.m.; and Pearl Bobson and Ethel Nelson, 3 p.m. to 6 p.m.

Ode to the County Road Commissioner:

In my pretty Easter bonnet, Shiny car, and gloves so white. Turned onto a country-by-way. Oups! - I'm stuck, a sorry plight. Rear wheel down right to the hub-cap. Forward, backwards just can't try. Trying hard to stay a lady. Hike a mile to call my wife. Sure I love the country Springtime. But I'm weary of the muck. If I hope to keep my senses. Send me please, a gravel truck.

WHAT MAKES "THE ROCKET" ROCKET?

Here's why the engine that started the high-compression era still tops the field today!

THE ROCKET BROUGHT high-compression performance to motoring... set the standards... broke the records.

Today it's the same. With a high in compression of 9.25 to 1 and a displacement of 324 cubic inches, the Rocket packs a potent new wallop.

THERE'S AN EFFORTLESS SMOOTHNESS that tells you this one is a masterpiece of balance and precision. What's more this power plant a big-bore, short-stroke design means direct piston travel for less friction, less wear and longer life.

You'll rarely use the full 230 horsepower under the hood. But, you'll go for the Rocket's high torque—the force that makes the wheels go round. Even at medium speeds, your toe can call a hefty 340 pound-feet of torque into play—to shove you away from a light or pass by any emergency. Add Jetaway Hydra-Matic and you meet Rocket action at its smoothest:

VISIT OUR SHOWROOM TODAY! We invite you to "Rate the Rocket" on the road. You'll get out of the ordinary... into an Olds!

1200 h.p. and 350 h.p. of torque in Super 88 and Ninety-Eight models. *Standard on Series Ninety-Eight; optional on other models.
