Eight Hundred Eighty-Four - -

That's how many weeks we've been open for business down here in the low rent district. Once we had a grand opening too — but the first one did it. After that being open was just a habit with us and it's a habit we're enjoying even if 8 o'clock does seem to come earlier some mornings than others. About now, tho, guess we'd better tell you a few of the things we'll have for fer specials for your week end shopping spree. Fer pork there'll be the rib end of a pork loin for 29c a lb. Doncha want a sweet potato with that? We have some nice ones 2 lbs. for 25c. Fer beef it's a pot roast for 39c a lb. With beef we always think of carrots but with fresh asparagus in now we could skip the carrots fer awhile. Fer fowl a fresh dressed fryin' chicken, huh? They're just 49c a lb. With that maybe some nice crispy cabbage slaw? You can git a big head what costs 2 lbs. for 25c then use the rest of it with some of Kingans or our own cured corned beef for 59c a lb. Mr. Kingan also has some slab bacon what we're sellin' for him for 39c a lb. and the rind is taken off it yet. That's good, huh? Fer those quickie meals you have to have once in a while we'll have skinnish hot dogs for 49c a lb. or our fresh ground fresh beef at 3 lbs. for \$1.00. Then we were told to be sure and mention that we had U. S. choice round steak for 69c a lb. and that the butter special this week end will be by Vlasic and it will be 59c a lb. That does it all up fer this week. Fly low and go slow, won't you??
