

Crops totalling more than 1,000 bushels per acre have been harvested in some upper peninsula potato fields, setting production records for non-irrigated potato acreages.

According to the Michigan Department of Health, a baby born today in Michigan can expect to live as many years after he graduates from college as his grandfather could expect at birth.

Christian Science Leader Speaks On Immunity

Practical application of scientific Christianity is making a vital contribution to public health and well-being, said Dr. Archibald Carey of Detroit in a lecture at Farmington on Monday evening, May 7.

A member of the Christian Science Board of Lectureship, he spoke at the Farmington Junior High School auditorium under the auspices of the First Church of Christ, Scientist, in Farmington. He was introduced by Mrs. I. G. Glines, Second Reader of the Farmington church.

Speaking on the subject "Christian Science: How God Heals," Dr. Carey said that if every individual could be taught to maintain his own individual immunity to disease, public health problems would be solved.

CHICKEN FLAVORS

Piping hot chicken dipped in a delectable sauce will add variety to spring menus. Mrs. Josephine Lawyer, Consumer Marketing Information Agent of the Cooperative Extension Service suggests cranberry sauce, apple sauce, honey orange sauce, herbaceous sauce, and herb butter for complementary flavors with chicken.

OLS Altar Society Launches Plans For Annual Fair

The ground work for the Christmas Fair, which is sponsored each year by the Altar Society of Our Lady of Sorrows Church, began when Mrs. Victor LaPresse of Middlebelt Road, general chairman of the fair, called a meeting of all booth chairmen recently.

The date for the fair has been set for November 3 and 4, Saturday and Sunday.

A well-organized plan of action was drawn up by co-chairman Mrs. William Tobin. Each booth chairman was given an opportunity to discuss ways and means for her particular needs.

A feature attraction this year will be a smorgasbord dinner. A variety of gift items will be offered at reasonable prices, as will home-made fruit cakes.

An invitation was extended by Mrs. LaPresse to all new members of the parish, urging them to participate. A great deal of help is needed to make this fair a success, she said.

Peltons who wish to help in any way are asked to contact the general chairman, Mrs. Victor LaPresse, GR. 4-5429, or co-chairman Mrs. William Tobin, GR. 4-5874.

Mrs. Josephine Lawyer, head of the Livonia branch of the American Cancer Research Association, spoke at the regular meeting of the Sunshine Sisters, held in the Neighborhood Church last Wednesday afternoon. She explained the purpose and activities of the association. Many questions on the subject of cancer were asked and answered. At the close of the session light refreshments were served.

The Sunshine Sisters will meet again at 2 p.m. Wednesday, May 23, in the Neighborhood Church.

Mrs. George Throne of Brentwood Avenue was in Ypsilanti Tuesday evening attending a meeting of the Farm Bureau.

Since she is leaving May 18 to join her husband, who is stationed with the U. S. Army in Germany, her old neighbors and friends presented her with a number of "bon voyage" gifts.

Mrs. Emerson Ault of Mayfield Avenue and Mrs. Forrest Ault and her son, Forrest II of Hubbard Avenue, returned home Thursday evening from a three-day trip during which they visited the Tom Roberts family in Monroe and the Johnsons in New London, Ohio.

Mrs. and Mrs. J. C. Dunham of Farmington Road left Wednesday for Cincinnati, Ohio, to visit relatives. They may also proceed to Florida for a short vacation.

Mrs. and Mrs. Casto and their three children, of Mayfield Avenue, spent last week end with relatives in Benton Harbor.

Mrs. David Dphine of Brentwood Avenue became a patient in Mt. Carmel Hospital in Detroit on Thursday and expects to undergo surgery.

Mrs. R. Gibbons of Hubbard Avenue is seriously ill in Wayne County General Hospital.

Hannah Johnson, daughter of the Edwin Johnsons of Carlisle Avenue, is ill with an ear infection.

John Middlewood of Farmington Road, who has been ill for some time, is reported much improved and may return to school soon.

At What Age Should SAVING Start?

Many, many First Federal customers have had savings accounts for their children, opened soon after the youngsters were born. They start with a small account for the new baby. Then, it's surprising how such savings grow with money gifts for Christmas and birthdays. Later, the child's own after-school earnings are added. Besides offering important training in thrift, this plan builds savings for college, or for a start in business. Savings here are insured to \$10,000.
