Mr. Miller, high school principal, served as chairman for the evening. Mr. Robert Carlson, local representative of the American Field Service International Scholarship group, explained the plan of foreign students attending American high schools. He also brought with him an American student who spoke of her experience as an exchange student in Europe.

Mr. Vic Phillips of the Livonia Junior Chamber of Commerce explained his group's position in making the necessary arrangements to have one foreign student enrolled in Clarenceville next year. He requested assistance from other community groups in helping to raise the necessary funds. At a meeting held Wednesday, May 16, interested groups discussed further plans regarding the project.
