Some members of the Board stated that the project would just serve the specific subdivisions and expressed reluctance to approve the proposal on the basis that it might hinder the over-all sewer interceptor project now under consideration.

City Council (Continued from Page 1A)

A petition, signed by 38 property owners in Alta Loma Subdivision 1 and 2, was presented to the Council protesting the acute drainage problem in the subdivision. The City Manager and City Engineer were directed to conduct a survey of the situation and to report at the next meeting.

Petitions must be filed with the Township Clerk within 30 days of the passing of the amendment. The petitions must be signed by 10% of the registered voters of the Township who are resident-property owners. Cairns stated that there are 6345 registered voters in the Township.
