Other classes are being conducted by the Livonia Park and Recreation Depart, and the courts.

Park and Recreation Depart, and the Livonia Park and Percention and Plymouth are offering instructional classes as well. It wouldn't surprise me if there were 1,000 people in Observerland taking lessons. (There are probably 5,000 that should). One doesn't have to be a genius to realize that we're creating a shortage of tennis courts. It may take the politicians a longer time to realize this, as most of them are golfers and can afford to spend five hours on the course.

you don't have much choice.

That is one reason we havent run a men's league similar to our successful women's league. The large majority of women can play in the daytime while the opposite is true for the men. We'll attempt to run a men's league at the five new indoor courts at the Livonia Parally Y when they are open in October.

If you have any old tennis rackets, ice skates, skis, or any other kind of used athletic equipment, you can sell them at the Rotary Youth Foundation "Used Athletic Equipment Sale". Saturday and Sunday, June 30, July 1, at the Livonia Family Y, 1925S Stark Rd. Equipment may be brought to the Y on Friday evening, June 29 or Saturday morning. Clean out the attic.
