## First Foreign Exchange Pupil To Attend C.H.S.

For the first time in the history of Clarenceville, the school will play host to a foreign exchange student.

The student will be from Italy. She will arrive in this country in late August and will reside at the home of Mr. and Mrs. Fred Bailey. Mr. Bailey is a member of the C.H.S. Board of Education. She will start to school in September in the twelfth grade.

An assembly was held in the gym on May 22 at which time Mr. Robert Carlsson from the American Field Service spoke in regard to the foreign exchange student program. At the close of the assembly, students were given the opportunity to contribute to the fund to pay for the exchange student. A total of \$58.60 was collected at the assembly.

The money will be turned into the fund which already has been built up to \$291.10. This money has come from the various clubs and organizations from around the community.

## C. H. S. STUDENT COUNCIL DISCUSSES DANCE REGULATIONS

Since modes of dancing seems to be in question at the high school, the members of Student Council again discussed possible ways of dealing with the problem. After the opinions of the members had again been aired, the council as a whole decided that a survey of the students in school should be taken. The object of the survey is to determine what the students think about the ban and what they think should be done about it.

Tuesday, May 29, was the day for the survey. Each student received a questionnaire which he or she could fill out or not fill out. Results of the survey were tabulated by the council and taken under advisement.

## Spring Concert Features Variety Of Selections

The Clarenceville High annual Spring Concert was held on May 24 in the gymnasium.

The program opened with the combined elementary-junior high band playing four numbers: "Playtime Waltz" by Fred Weber, "Chuck and Bill March" by Fred Weber, "America the Beautiful" by Samuel Ward, and "Shirley Waltz" by Fred Weber.

The senior band began their part of the program with "Fanfare" written by Purcell. It was arranged for brass ensemble by Mr. Nichols and featured Michael Keller, George Parsins, Fred Schultz, and David Farrell on trumpets; Charles Meyerroon, the French horn; Cliff Wellmon, trombone; and John Hamby on the snare drum.

"The Fairest of the Fair" by John Phillip Sousa came next and was followed by Franz Schubert's "The Unfinished Symphony." The band then played the Third Movement of Concerto entitled "Rondo" by Wolfgang Mozart. The piece featured a duet by Barbara Schmidt on the piano and Roger Smith on the trombone. The band ended up with "The Thunderer" by Sousa just before intermission.

After intermission came "Tannhauser March" from the opera "Tannhauser" by Richard Wagner. The first movement entitled "Claremont" from the first act in E-flat by Gustav Holst was then presented by the band. Following was Leroy Anderson's "Syncopated Clock" and "Spiritual" and excerpt from Symphony No. 5 by Donald Gillis.

## G.A.A. Banquet Held In Plymouth

Arbor Hills in Plymouth was the scene of the annual Girls' Athletic Association banquet on Monday, May 21, held in honor of graduating seniors and new members of the group. It was also held to commemorate the hard work and fellowship the club has shared as a whole in the past school year. Betty Edwards, toastmistress for the evening, presented the officers and sponsors. Catherine Barnes, president, took over the initiation, presenting the new girls with their pins, membership cards and constitutions. The new members joining the club were: Joyce Furest, Sharon Jikutz and Kathleen Miltarch.

Miss Jean Sitterlit, girls' physical education instructor at Bloomfield Hills High School, was the guest speaker. Her topic was "Are You Making the Most of Your Leisure Time?"

Janet Van Arman gave the "Farewell to Seniors" address and Donna Hansford responded. The club will lose the following girls who will be graduating in June: Joyce Hamilton, Deborah Hansford, Mary Pudvan and Barbara Schmidt. The three latter girls mentioned have been members of the organization since their freshman year.

The banquet formally closes the club's activities, although a few sports are still outstanding. The club reports it enjoyed a very successful year under the leadership of their sponsors, Miss Sandra McKinney and Miss Betty Lou Myers.

## G.A.A. TENNIS GROUP COMPLETES ROUNDS OF TOURNAMENT PLAY

In the tennis tournament the players must win two out of three games in order to continue in the tournament.
