Mrs. V. Kirchner, GR. 4-1929 — Mrs. G. Lord, GR. 4-3474

The Civic Association is pleased to announce the favorable reception of the road maintenance plan. The collections will be completed in time to apply calcium chloride to the roads in the subdivision immediately after the grading scheduled by the county has been completed.

Residents are urged to exercise extreme caution when driving on the roads in Springbrook. The small children are enjoying outdoor play and are likely to stray into the roads. It is also pointed out that cycling enthusiasts have only this area to rely on for their activity.

Several residents of Springbrook attended the kick-off meeting last week that will be the beginning of an organization to build a much-needed community house for Farmington. Don Briggs of Westmoreland Drive and Mrs. Harry Farmer were elected to the fifteen-member board of directors. Any one interested in becoming a member of the group may do so by making a nominal contribution. It was pointed out.

Wesley Orr of Springbrook, along with his father visiting from Texas and his brother from Rapid, made a very rugged fishing trip into the Canadian wilds recently.

They traveled 50 miles beyond the Canadian-Saulte on foot, carrying their canoe, only to be turned back by high, turbulent waters. They returned to the Saulte and chartered a plane to take them to their destination. They portaged one more falls and arrived at Lake Adelaide for a week of trout fishing. Every member caught his limit and returned looking like regular bushmen with lots of tales to relate.

Carol Orlovski of Westmoreland Drive was a member of the First Communion class at Our Lady of Sorrows Church last Sunday. Her parents, Mr. and Mrs. E. J. Orlovski, held a reception in Carol's honor for thirty members on both sides of the family. The guests included her grandmother and her

godparents.

Mr. and Mrs. H. W. PEMBER of Springbrook spent three weeks enjoying the sunshine in Florida. They visited several towns and places of interest with friends and relatives but spent the greater part of their time at Madeira Beach near Tampa.

Mrs. El Smith of Springbrook Drive was hostess to a group of Springbrook women in honor of the birthday of Mrs. Robert Hug.

Brownie Scout Leader Mrs. C. Terry of Brookview, with the help of committee women Mrs. Schlick, Mrs. Lord, Mrs. Taylor and Mrs. Kirchner, took Brownie Troop 218 on an all-day cook-out. They arrived at Cass Benton Park early enough for plenty of activity before lunch.

There was a scavenger hunt, won by the Robin Patrol, under the leadership of Susie Kirchner, and a Houghton Lake with scrub made a long nature hike through the woods. On their return, they stopped to enjoy the beautiful tulip display on Seven Mile Road.

Dennis Cody of Westmoreland celebrated his third birthday with several of his little friends last week. Dennis is now recuperating from a tonsillitis.

Barbara and Beverly Lord were recently presented in a piano recital at the home of their teacher, Mrs. Helen Jones, in Detroit.

Jerry and Jackie Badolico were with Scout Troop 110 in making a retreat at D-B-A at Metamora this past week end.

Mr. and Mrs. Bernard Lorengor and their family spent last week end at Houghton Lake with scrub brushers and pools, readying their summer home for this year's vacation.

Ron Hagelstein, son of Mr. and Mrs. Floyd Hagelstein of Crystal Court, has been inducted into the Armed Forces and will leave for training within a few days.

A RECORD CROWD of between 3,500 and 4,000 persons turned out last week end for the four-day grand opening celebration of the new Brown's Super Market on Northwestern Highway at Orchard Lake Road. Shown above is a portion of the over 1,000 shoppers who flocked to the store on the opening day of the celebration, Thursday, to take advantage of the many bargains offered at the new ultra-modern store. Containing over 8,000 square feet of floor space, the new market is equipped and stocked to provide complete food shopping service. The Lawrence Browns, proprietors of the store, are old timers in the grocery business in that area. They previously operated a store on the west side of Orchard Lake Road at Northwestern Highway for 24 years prior to opening their new establishment.

Along The Creek In Woodcreek

BETTY MERESHAK MA. 6-3135

The Woodcreek Women's Association will hold its regular monthly meeting at 12 o'clock noon on Tuesday, June 6, at the home of Theresa McKee, 27727 Wellington Road. Jimmy Swift and Ruth McCarthy will furnish the dessert.

Mrs. Ann Phillips of Millbrook Drive took a motor trip to Yonkers, New York, recently for a week's visit.

Miss Nancy Fisher of Wellington Road flew to Rochester, New York, on May 18 to be the maid of honor at the wedding of Miss Barbara Butler and Richard W. Henderson. Nancy and Barbara, who are both graduates of Stevens College, were roommates there.

Nancy arrived on Thursday, in time to attend a dinner in honor of the bride. Mr. and Mrs. Fisher arrived the following day. On Friday evening they all attended the wedding rehearsal and the buffet dinner that followed. They were guests of the groom's parents, Mr. and Mrs. William Henderson, after the tulip festival and saw the acres of tulips in all their glory.

Their trip was made doubly enjoyable by the fact that Barbara's parents, Mr. and Mrs. William McDowell of Detroit, were available to stay with the children.

The Colonial Dinner at the new Franklin Community Church was held May 25, 1956, in the Municipal Building for the purpose of consideration of bid on paving of Alta Loma Drive and consideration of contract and deferred private property payments for installation of Farmington Road Water Main.

Meeting was called to order at 8:05 p.m. by Mayor Lindbergh. Roll Call: Bates, Calkins, Cavanaugh, Chapman, Lindbergh. All present.

Alto Loma Drive Paving from Farmington Road to Cass. Recommendation of Mr. Scherffus, City Manager, read and placed on file. Motion made by Chapman and supported by Cavanaugh that the following Resolution be adopted: WHEREAS, the Council of the City has heretofore received to pave Alta Loma Drive from Farmington Road to Cass Avenue, and all necessary and proper procedure and resolutions have heretofore been taken and adopted, including by referendum, all of the approval of the Special Assessment and

WHEREAS, the City Manager has filed written recommendations with the clerk and council, setting forth good and sufficient reasons why comparative prices should not be procured and why sealed bids should not be asked and received prior to the awarding of a contract for the completion of said public improvement.

NOW THEREFORE, The City of Farmington Does hereby resolve: 1. That it hereby determines that no advantage would result to the City by the procurement of competitive bids for the completion of said public improvement.

2. That it does hereby determine that the advantage would result to the City by obtaining sealed bids for such public improvement.

3. That the City Manager be and is hereby authorized to award a contract for completing said public improvement for a sum not to exceed Fifteen Thousand One Hundred Eighty Eight and 30/100 Dollars (\$15,188.30) plus cost of the contractors' bona fide expenses and that he is and hereby authorized to enter into a contract for the completion of said public improvement upon compliance with the terms of the charter of the City of Farmington.

CHS Tennis Team Downs Southfield

Clareville High won its second consecutive tennis match with Southfield on May 22. The team won three out of four matches.

Betty Fife, daughter of Mr. and Mrs. Donald Fife, had her Sorority Informal for the initiation of eight new members. The group of girls from Redford High School met at Betty's home for the activities on Saturday, May 26.

The Sewing and Gardening group will meet Tuesday, June 5, at the home of Mrs. Edward Cavanaugh, 28179 Thorny Brae Road. A film of the Ford Gardens will be shown.

LaBrecque Hurls Trojans To Fifth League Title

Sam LaBrecque senior, pitched a three hit ball game last week to give the Trojans a 3-1 victory over second place Clarkson. Timely hitting by Don Calogrove and Darrell Kidding helped the cause. The victory assures the Trojans their fifth consecutive W.O.C.L. baseball championship.

The game was a pitchers' duel between LaBrecque of Clarenceville and Dave Nelson of Clarkson for five innings with the score deadlocked at 1-1 at the end of the fifth. The Trojans scored two runs in the bottom of the sixth to clinch the contest, their eleventh straight win on the mound for the Trojans this year. He also ran his strike-out total to one hundred for the year.
