

Garden Club Plans Picnic Breakfast July 2

The Farmington Garden Club will have a picnic breakfast at 9 a.m. Monday, July 2, at Kensington Park. Following the breakfast the group will take a nature walk with Mr. William S. Hopkins, naturalist, as the guest speaker.

In case of rain there are adequate shelter facilities at the picnic area, club officials pointed out.

Hostesses for the picnic will be Mrs. David Krings, Mrs. Douglas Hamill, Mrs. Herbert Neal, Mrs. Terrill Houston, and Mrs. P. H. Parker.

Wins Scout Honor, Trip To Chicago

PAUL FIELDS

Paul Fields of 20832 Tuck Road, a member of Boy Scout Troop 279 sponsored by the Clarenceville Optimist Club, was named recently as top ticket salesman in District 7 for the Scouting Exposition held earlier this month at the State Fair Grounds.

As a top salesman, Fields was taken on an all-expense paid trip to Chicago along with the other top district salesmen. The group of boys left Detroit on June 22 via the New York Central's new Aeronaut and returned Sunday by American Airlines.

While in Chicago the boys visited the Museum of Science and Industry, a TV program and the Planetarium. They also took in a baseball game between the Chicago White Sox and the New York Yankees. After attending church on Sunday they were taken on a sightseeing trip around the city.

First Service Set For July 15 In New Franklin Church

First service in the new home of Franklin Community Church will be held on Sunday, July 15, at 10 a.m.

The new Colonial Church is located on the east side of Franklin Village Green facing east toward Franklin Road. Access is via Wellington or Carol Roads.

A brief ceremony will mark the opening services with official ceremonies scheduled for September, the Rev. Robert J. Seals reports. Some sections of the building will not be finished until that time. Church school sessions will continue to be at the old church until August 1st.

The move climaxes a rapid series of events which found a committee appointed in September of 1954, a fund raising drive in February of 1955. Actual construction started on September 28th, 1955.

A unique feature in this opening service is the mailed request of the music committee to all members and friends to donate the cost of at least one new hymnal as a "house-warming" gift for the new church. Mrs. Harry F. Barr is in charge of this project.

Also available are commemorative plates offered for sale by the Women's Society under the leadership of Mrs. Win Hinman and Mrs. Robert Yingling. One plate is etched with a sketch of the "old" church with its history on the back of the plate; the other being a similar sketch and history of the new church.

Junior Gets "Pinned" Down

Junior Baker and friends are all set for their circus. Look for their advertisements on neighborhood trees.

The kids have had problems in staging the event. The biggest was the admission fee. Junior wanted to charge five cents, Mrs. Baker thought it would be much nicer if they charged five pins.

So Junior held a meeting with his Directors — then told his mother they'd taken her advice. The ads now read: Giant Circus in Baker's Backyard. ADMISSION FIVE PINS PLUS FIVE CENTS TAX.

From where I sit, that's a cute example of a mighty important point — if you want things to turn out your way, then you had better let the other fellow have his choice, too. For instance, if your taste should happen to run to, say, iced tea... then you owe it to yourself to see that those who prefer beer, buttermilk or whatever you get to enjoy their favorite beverages, too. After all, turn about's fair play.
