### Our Lady Of Sorrows Fair Benefit Card Party Planned

A card party for both ladies and gents will be held on Saturday, June 30, at 8:00 p.m. at the home of Mr. and Mrs. John Faler, of 29118 Clarity, Livonia. All donations will be used for the Christmas Tree Project, which will be one of the features at the annual fair sponsored by the Altar Society of Our Lady of Sorrows Church. The fair is to be held early in November.

There will be prizes and refreshments at the card party. A "Parcel Post" booth will be a new feature of the annual fair this year. Our Lady of Sorrows Church, officials stated, Mrs. John C. Meng and Mrs. Wayne Sutton will be in charge of this booth.

Cards have been prepared for parishioners to mail to friends in other states and far away places, requesting that they send a gift package for the fair. These packages will then be sold from the "Parcel Post Booth". Requests for cards can be made by calling Mrs. Meng at GR. 4-0487, or Mrs. Sutton at GR. 4-0487. Those interested are urged to call soon so that packages will arrive in plenty of time for the fair. The fair this year will be held November 3 and 4.

When you get your next prescription do not be blind to its true value. The price you pay for it, not only includes the charge for the ingredients, but also your proportionate share of the millions of dollars that has been spent on scientific research to perfect it.

Part of your cost is for the time necessary to check it, select the ingredients, record it, label it properly, and when necessary, to compound it. Despite all this, the average charge of all our prescriptions is about \$2.70, and most of them cost you less than \$2.00.

### STEER ABOUT 24% STEAK

Not all steer is steak. About 24% of a steer carcass is steak. Roasts make up about 32% of the carcass, other edible cuts total 24% and about 20% is waste. The demand for steaks and their quality in comparison to other cuts keeps their costs higher.
