

DO YOU KNOW YOUR STATE TRAFFIC LAWS?

You are familiar with the new maximum speed limit in the State of Michigan - 65 in the daytime, 55 after sundown. But do you know how fast you can pull a trailer? The other day a friend of mine was driving to the lake hauling his boat and trailer. While traveling 85 on the main highway a patrol car pulled him from a line of traffic and charged him with speeding. He was surprised to learn that he was violating the law but the officer politely told him that the Michigan Motor Vehicle Code states that no passenger vehicle drawing another vehicle or trailer shall exceed a speed of 50 miles per hour.

The new speed law passed by your senators and representatives during the extra session of the legislature in 1955 amended a part of the Motor Vehicle Code which covers the fixing of reasonable and safe speeds. Another section of the code dealing with general speed restrictions which has been on the books for several years was not changed. In addition to the trailer limits, the law restricts speed to 25 miles per hour in a business or residential district and in public parks unless a different speed is posted and provides for regulation of truck speeds by the Michigan Public Service Commission.

So even though that new deluxe boat trailer of yours rides like a feather behind your 1956 sedan, take it easy on the way up north - the law says 50 miles per hour.

Farmington Road Gospel Chapel Opened July 22

Special Evangelistic Services are now in progress at the new Farmington Road Gospel Chapel at Farmington Road and Kirby Street and will continue through Sunday, August 5. The first meeting and service conducted in the newly opened church were held last Sunday, July 22.

The Gospel Chapel was started about three years ago in the vicinity of the new church when the need for religious guidance for young and old alike was realized. Because of a lack of funds, services were conducted in a tent until money could be raised to purchase property and construct a building. That end was realized last Sunday with the opening of the new church building.

Services will be conducted at the church on Sunday at 11 a.m. and at 7:30 p.m. The Lord's Supper service on Sundays is at 9:30 a.m. and Sunday School is held at 11 a.m. A Young People's meeting begins at 6 p.m.

Services are being held nightly, Tuesday through Friday, starting at 8 p.m. These services will be held through August 5. Friday night has been set as Bible Study Night. Saturday night is rally night at the church and a special children's night.

Speaker at the Evangelistic Services now being conducted is William A. McEllan.

Steve McCane entered Plymouth General Hospital for tests Monday after a week's illness from a virus infection. He has now recovered sufficiently and released from the hospital, however, he missed going on a two week canoe trip with 18 boys of Scout Troop District 7 on Saturday. He left by plane from Willow Run Monday morning to meet them in Wisconsin.

Gerry and Mickey Priemer will leave for summer camp in the Irish Hills area on Sunday. They will be gone two weeks.

A meeting of the Normandy Hills Association will be held at 8 p.m. Thursday, July 26, at the home of Mr. and Mrs. Elliot Rogers of 22801 Brittany Drive. The purpose of the meeting is to discuss the proposed rezoning of property in Farmington Township race track. All Normandy Hills residents are urged to attend.

Guests last week of Mr. and Mrs. John McPherson of 33542 Argonne Road were Carol Ann Chapman of Flint and Lynn McPherson of Grasse Pointe, niece and daughter of Mrs. McPherson, respectively.

They spent one day at the home of Mr. and Mrs. B. Cornaire on Green Lake and on Wednesday were guests of Mrs. King Gates and her daughter at the Meadowbrook Country Club.

AWARD CONTRACT FOR NEW TOWNSHIP POLICE CAR

Arrangements have been completed for the purchase of a new Township Police car from the Bill Root Chevrolet Agency, Floyd A. Cairns, Township Clerk, announced this week.

Cairns, along with Robert Harris, Board Trustee, were authorized by the Township Board to purchase a police car to replace the oldest of the two present vehicles. A total of three proposals were secured by the two-man committee with the contract going to the Bill Root Agency. The new standard two-door sedan is expected to be delivered early in August.

dial as approved by the Township Board. The actual question as it will appear on the ballot makes no reference to a race track, since it is legally a zoning matter. However, the developers declared their intent to construct a race track on the site at the time the zoning change was requested and at the public hearing which followed.

Cairns stated that the zoning question will be included as a special proposal in the regular Primary Election to be held on Tuesday, August 7. All qualified electors of the Township of Farmington are eligible to vote on the proposal.

WILLIAM S. BROOMFIELD

When Bill Broomfield says it, he means it! A lifelong resident of Oakland County, Broomfield will take to Congress a record of providing family benefits that speaks for itself. During eight consecutive years as State Representative and State Senator, he has sponsored (and seen passed) bills to improve school facilities, water facilities, workmen's compensation, old age benefits, veteran's benefits and teachers' salary benefits. He is also the author of the famed Broomfield "Icebox Bill" which makes it a law to remove locking devices from abandoned refrigerators. This record of progressive thinking and getting action that helps the families of Oakland County qualifies Bill Broomfield to be your next Congressman. You owe it to your family to send the best man to Congress—and that's State Senator Bill Broomfield!
