City Criticized For Drainage Project Delays

Residents Urge Action On Bel-Aire Drain

City officials were sharply crit-icized Monday night for reported delays on the installation of an underground drain in the ease-ment between the Bel-Air Sub-

in the north side of Shiawassee. The criticism came at the regiar meeting of the City Council and the second of the City Council and the Municipal Building, Residents in both the Bel-Aire Subdivision and long Shiawassee protested the leay, The property owners charged that more than adequate time as been allowed for the insilation. They added that little can done to improve yards and actilities until the drain has been stalled.
